December 14, 2021

Mr. Brian Buhr  
Campaign Finance Analyst  
Reports Analysis Division  
Federal Election Commission  
1050 First Street NE  
Washington, DC 20463

Dear Mr. Buhr:

Hoeven for Senate, FEC ID #C00473371, is in receipt of your Request for Additional Information dated November 9, 2021, regarding the Committee's October Quarterly Report (07/01/2021-09/30/2021).

The contribution records for Dave Bren have been reviewed and the excess portion of his contributions have been refunded. The refund took place in the fourth quarter of 2021 and will be reported accordingly on the upcoming Year End Report.

The contribution records for Minn-Dak Farmers Coop PAC have been reviewed and the committee has not made excessive contributions. The apparent excessive contributions are caused by paper to digital conversion and confirmed by the FEC. No further action by the committee is required.

The contribution records for Otter Tail Corporation PAC have been reviewed. A data entry error resulted in the committee using the multicandidate limits for limit checking. This record has been updated with the corrected type of committee and the excess portion has been refunded. The refund took place in the fourth quarter and will be reported accordingly on the upcoming Year End Report.

The Commission notes that our report discloses contributions from organizations, which are not political committees registered with the Commission. Upon receiving a contribution from an unregistered organization, the Committee sends a letter to the donor requesting verification that the funds used are permissible. If the Committee determines that the contribution is impermissible, a refund is issued within 30 days of this determination. Letters were sent to the following unregistered organizations.

Friends of Fedorchak  
Friends of Jon Godfread  
Klein for Senate  
ND Optometric Association PAC  
ND Petroleum Marketers Association PAC  
ND Pharmacists PAC  
North Dakota Farm Bureau PAC  
Realtors PAC of ND

Sincerely,

Cabell Hobbs  
Treasurer
