Re: RFAI of 7/2/2025 RE: 2025 April Quarterly Report
Jim Risch for U.S. Senate
Committee ID Number: C00440362

Dear Ms. Schleyer-Hinchey;

Please accept this correspondence in response to the above referenced RFAI.

Upon review of the referenced report it was indeed discovered that the cycle-to-date figures represented in the report did not match up with data from the year-end 2024 report. The report was re-run from our compliance software and the proper Column B figures were populated. An amended 2025 Q1 report was filed.

This error did not result in any inaccuracies in the report other than the 4 cycle-to-date figures and did not affect the cash summary figures stated at the end of the report; specifically, the beginning cash on hand, the total receipts, the total disbursements and the closing cash on hand figures which were all accurately reported.

Thank you for bringing this matter to the attention of the committee we corrected the inaccuracy as soon as we were able to.

Sincerely Jason Risch, Treasurer
