RE: Win Justice, Committee ID: C00672394;
12/6/18 RFAI regarding October Quarterly Report, Filed 10/15/18

Dear Ms. Juris,

I am writing as counsel to Win Justice in response to the Commission's December 6 Request for Additional Information (RFAI) related to the October Quarterly Report filed by Win Justice on October 15, 2018.

As indicated in Item 1 of the RFAI and the attachment to the RFAI, Win Justice did fail to file timely 48-hour reports for independent expenditures in support of Bill Nelson and Jacky Rosen. This error was an inadvertent result of an internal communication issue, and the committee has taken steps to prevent such errors in the future. These late-reported expenditures were for services and printing related to canvassing that started on the reported dissemination date and that was continued with additional canvassing in the days thereafter.

Regarding Item 2 of the RFAI, the date of dissemination for the payment of \$44,904.72 for canvassing services on Schedule E of the committee's October Quarterly Report was incorrectly reported as 09/15/2018. The correct dissemination date was 9/10/2018, as shown on the committee's 48-hour Report that was timely filed on 9/12/2018. The committee has corrected this in the amended October Quarterly Report filed today. This amended report also adds language to clarify that an expense for "Printing and Digital Ad Placement" that was not an expenditure attributable to any federal candidate was so identified. In addition to these corrections, the committee is also making other corrections in the amended October Quarterly Report and the other amended reports filed today.

I believe that this letter and the amended reports filed today fully address the concerns raised in the above-referenced RFAI. If you have any further questions, please feel free to contact me at 202-328-3500.

Very truly yours,
/s/ John Pomeranz
Counsel to Win Justice
