This response is being provided in regards to the RFAI dated May 21, 2026. Regarding Item 1 (an increase in debts owed to vendors), at the time the initial PrePrimary report was filed, the Treasurer was unaware of outstanding debt owed by the committee. Upon receiving notice of ousstanding debt, the Treaurer filed the amended report in order to disclose it. Regarding Item 2 (debt owed to Mission Control in the amount of \$2,920.04), when this debt was initially entered into our reporting software, it was erroneously dated 2/10/2025. Upon receipt of the RFAI, this error was itdentified and the report has been amended and filed to include this item.
