In response to the 02/22/2024 RFAI in regards to the Year-End 2023 FEC report:

As disclosed in the 02/26/2024 response to the 1/22/2024 RFAI:

Several conduit contributions that were earmarked through the committee were delayed because of a complicated technical error. This error effected the way fees, data and contributions were handled with our credit card processor, data management consultant and the recipient candidates. The committee caught this error and has instituted new controls to ensure the timely processing of earmarked donations.
