RE:Moran for Kansas Amended October Quarterly Report (07/01/2021 - 09/30/2021), Received 11/24/2021

Dear Mr. Furman,

This writing is our response to your letter dated December 19, 2021 regarding the above referenced Amended Quarterly Report.

At the time of the Amended October Quarterly Report (07/01/2021 – 09/30/2021), received 11/24/2021 was filed, the contribution check from Kit Bond Strategies, LLP was incorrectly entered as a contribution to the 2022 primary election in its entirety. Since the contribution was not specifically designated to an election period, the entry has been corrected to show a \$2,100 redesignation to the 2022 general election on 09/17/2021.

At the time of the Amended October Quarterly Report (07/01/2021 – 09/30/2021), received 11/24/2021 was filed, the name change from Grocery Manufacturers Association PAC to Consumer Brands PAC ('Consumer Brands Association PAC') was not known at the time. The deposit on 08/04/2021 was not specifically designated to an election period, therefore has been re-designated to the 2022 general election.

At the time of the Amended October Quarterly Report (07/01/2021 – 09/30/2021), received 11/24/2021 was filed, our system had PAC of the American Association of Orthopaedic Surgeons – PAC of AAO under two different name variations. The check deposited 09/20/2021, was specifically designated to the 2022 primary election. This, however, put them over the contribution limits. We have since been given permission to redesignate the funds to the 2022 general election.

At the time of the Amended October Quarterly Report (07/01/2021 – 09/30/2021), received 11/24/2021 was filed, the name change from Quicken Loans Inc PAC to Rock Holdings Inc. PAC was not known at the time. The deposit on 09/29/2021 was not specifically designated to an election period, therefore has been re-designated to the 2022 general election.

At the time of the Amended October Quarterly Report (07/01/2021 – 09/30/2021), received 11/24/2021 was filed, the Republic Strategies total estimated debt due to the company as of 09/30/2021 was incorrectly recorded. The estimated debt incurred during the second quarter ending 06/30/2021, previous recorded at a debt of \$13,500.00, was not paid. The debt incurred for the third quarter ending 09/30/2021 for the period should have been \$12,000.00, showing no payments during the period, with an ending outstanding balance at the close of the period of \$12,000.00.
