RE: Letter inquiring about Amended 30 Day Post-General Report (10/15/2020-11/23/2020), Received 1/27/2021

Dear Ms. Grainger:

Thank you for your correspondence of May 18, 2021. Below are answers to your request for additional information:

1. All contributions that exceeded the limits, with one exception listed below, have been refunded. These refunds were either reported on the Amended Post-General 2020 Report and the April Quarterly 2021 Report, or they will be reported on the upcoming July Quarterly 2021 Report.

A contribution of \$2,800.00 on 10/15/2020 was mistakenly reported on Line 11(c) as a contribution from the National Association of Broadcasters PAC (NAB PAC) earmarked through Thomas Tarzian. The donation was actually an earmarked contribution from Thomas Tarzian through NAB PAC, so it should not count against the PACs contribution limits. The entry for this contribution has been corrected on the newest Amended Post-General 2020 Report.

Additionally, there were several contribution refunds on the Amended Post-General 2020 report that were mistakenly reported as operating expenditures on Line 17 of the Detailed Summary Page. These contribution refunds have been corrected and are now reported on Line 20 of the newest amendment. There were also several contribution refunds mistakenly marked as disbursements for the 2026 Primary election period, and they have been changed to reflect the correct election period of 2020 General.

2. The totals listed on lines 6(a), 6(c), 11(a)(i), 11(a)(ii), 11(a)(iii), 11(c), 11(e), 12 and 16 Column B of the Summary and Detailed Summary Pages were incorrect. We discovered duplicate records in our database that have since been merged, so all reports going back to the July Quarterly Report 2017 have been amended to correct the Detailed Summary Pages and Schedule A where the contributions, in some cases, were itemized.

3. You inquired about the apparent failure of the committee to disclose one or more contributions on the 48-hour notices after the Pre-General Report 2020. The vendor responsible for caging and depositing mailed-in contributions for the committee did not provide us with complete and accurate information about contributions of \$1,000.00 or more received between 10/15/2020 and 10/31/2020. The vendor later informed us there were contributions of \$1,000.00 or more that were not included in the original data provided to us. Therefore, once we were made aware of the discrepancies, we filed amended 48-hour notices on 11/20/2020 for the following dates: 10/15/2020, 10/19/2020, 10/21/2020, 10/22/2020, 10/23/2020, 10/26/2020, and 10/28/2020. All the contributions you inquired about were on these amended notices, except for six exceptions which are explained below.

-Andrew Weliky gave a contribution of \$1,000.00 on 10/15/2020 that was correctly reported on the 10/16/2020 48-hour notice. Due to an error in our compliance software, the record in our database for Andrew Weliky was inadvertently merged with a record for Andre Y. This merger of records caused the \$1,000.00 contribution from Andrew Weliky to be mistakenly reported as a contribution from Andre Y. on the Amended Post-General Report. We have separated the two donors records in our system, so the \$1,000.00 contribution is now correctly attributed to Andrew Weliky on the newest Amended Post-General Report.

– George Peter Block, Jr. gave a contribution of \$1,000.00 on 10/21/2020 that was correctly reported on the 10/22/2020 48– hour notice. Due to an error in our compliance software, the record in our database for George Peter Block, Jr. was inadvertently merged with a record for Peter Lock. This merger of records caused the \$1,000.00 contribution from George Peter Block, Jr. to be mistakenly reported as a contribution from Peter Lock on the Amended Post– General Report. We have

separated the two donors records in our system, so the \$1,000.00 contribution is now correctly attributed to George Peter Block, Jr. on the newest Amended Post– General Report.

– Stephen Wall gave a contribution of \$1,000.00 on 10/21/2020 that was correctly reported on the 10/22/2020 48– hour notice. Stephen Wall gave an additional contribution of \$1,000.00 on 11/1/2020 that was processed under the name of Stephen Stephen. The record in our database for Stephen Wall was inadvertently renamed with the incorrect name of Stephen Stephen. This error caused both donations of \$1,000.00 from Stephen Wall to be mistakenly reported as contributions from Stephen Stephen on the Amended Post– General Report. We have corrected the name on the record in our system, so both contributions of \$1,000.00 are now correctly attributed to Stephen Wall on the newest Amended Post– General Report.

– Alanna Wildman gave a contribution of \$1,000.00 on 10/23/2020 that was correctly reported on the 10/24/2020 48– hour notice. Due to an error in our compliance software, the record in our database for Alanna Wildman was inadvertently merged with a record for Alan Wild. This merger of records caused the \$1,000.00 contribution from Alanna Wildman to be mistakenly reported as a contribution from Alan Wild on the Amended Post– General Report. We have separated the two donors records in our system, so the \$1,000.00 contribution is now correctly attributed to Alanna Wildman on the newest Amended Post– General Report.

– Brian ONeil gave a contribution of \$1,000.00 on 10/25/2020 that was correctly reported on the 10/26/2020 48– hour notice. Due to an error in our compliance software, the record in our database for Brian ONeil was inadvertently merged with a record for Ian Neil. This merger of records caused the \$1,000.00 contribution from Brian ONeil to be mistakenly reported as a contribution from Ian Neil on the Amended Post– General Report. We have separated the two donors records in our system, so the \$1,000.00 contribution is now correctly attributed to Brian ONeil on the newest Amended Post– General Report.

– Dale Slinkard gave a contribution of \$2,800.00 on 10/26/2020 that was correctly reported on the 10/27/2020 48– hour notice. Due to an error in our compliance software, the record in our database for Dale Slinkard was inadvertently merged with a record for Dale Link. This merger of records caused the \$2,800.00 contribution from Dale Slinkard to be mistakenly reported as a contribution from Dale Link on the Amended Post– General Report. We have separated the two donors records in our system, so the \$2,800.00 contribution is now correctly attributed to Dale Slinkard on the newest Amended Post– General Report.

We appreciate this opportunity to ensure the correct information is included in the public record. If you have any questions or need any additional information, please contact me at (803) 748– 0300.

Sincerely,
