Dear Mr. Realph:

On April 10, 1996, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your April 29, 1996 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-The totals listed on Lines 11(a)(i) and 11(a)(ii), Column B of the Detailed Summary Page appear to be incorrect. Please be advised you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Your cover letter response referred us to the corrected Column B totals on your Amended July Quarterly Report. However, the Lines 11(a)(i) and 11(a)(ii), Column B totals to be added to the Column A totals on the Year End Report should come from the October Quarterly Report. Note even though you disclose zero activity with respect to these lines in Column A on the October Quarterly Report, the Column B figures are different than your Amended July Quarterly Report. Please provide the correct Column B totals for the Year End Report and any previous reports.

-Line 11(a)(i), Column A of the Detailed Summary Page discloses a total of \$2,011.67 in itemized contributions from individuals. The sum of the entries itemized on Schedule A indicates the total to be \$176.20. Your

response stated this figure (\$176.20) represents the amount of withholding each pay period for those individuals listed. Schedule A discloses semi-monthly pay periods, which would equal six (6) pay periods per quarter ( $\$176.20 * 6 = \$1,057.20$ ). Please explain the additional \$954.47 disclosed on your Detailed Summary Page for Line 11(a)(i).
