This Committee responds to the August 15, 2016 RFAI concerning the Committee's June monthly report, with response due September 19, 2016, as follows: 1. Due to normal fluctuations in Committee program activity, expenditures included in monthly estimates are occasionally different from the estimated amount, or are never actually made. In cases where an expenditure is never made, that is, where the actual amount spent is \$0.00, the Committee does not include it on Schedule E of the corresponding periodic report. The expenditures at issue here were never actually made, and so have not been included on Schedule E of this report. 2. The expenditure at issue was properly and timely disclosed as part of the May monthly estimates filed 5/3/16: Transaction ID SE24.83878 on FEC-1070783, Image# 201605039015371710. The actual amount spent was less than originally estimated.
