

Regarding the April 2007 Monthly report:

- On 4/4/07 it was discovered that \$1,569 of federal money was accidentally deposited into our Committee's state bank account on 3/2/07. On 4/4/07 the money was transferred from state to federal to correct the error. This transfer in from our state account will be reported on the next report.

The individual contributors of this \$1,569 are disclosed on this report as memo entries for 3/2/07.

- Also, on 3/16/07 we disclosed a partnership contribution received from Dickstein Shapiro LLP but the individual contributing partners are not listed. Our Committee is actually refunding this contribution and this will be appropriately disclosed on our 2007 May Monthly report.
