Re: Response to FEC Inquiry in reference to July Quarterly Report (06/25/2020 - 06/30/2020)

Dear Mr. Harkins,

This is in response to your inquiry dated February 3, 2021, regarding 48-hour report notification of a contribution of \$1000 or more, received between 2 and 20 days before the election.

The contribution from Associated Equipment Distributors PAC, was received by our DC fundraiser on 06/26/2020. However, this check was mailed to Waco, Texas and was delayed in the mail and received by the Campaign data entry personnel on 07/06/2020. This contribution was entered into the reporting database utilizing the date that the DC fundraiser received the check, not realizing that this date fell between the 48-hour reporting period, which had elapsed on 6/30/2020.

Procedures have been revised to ensure that checks received by the DC fundraiser, during a 48 hour reporting period, be reported in a 48 hour report on the date the DC fundraiser receives the check.

Please advise if further clarification is required.
