This Form 99 is in response to the Request for Additional Information regarding the following items.

1. The totals listed on Lines 21(a)(i), 21(a)(ii), 21(b) and 32, Column B of the Detailed Summary Page(s) appear to be incorrect. Column B figures for the Summary and Detailed Summary Pages should equal the sum of the Column B figures on your previous report and the Column A figures on this report. Please file an amendment to your report to correct the Column B discrepancies for this report and all subsequent report(s) which may be affected by this correction. Note that Column B should reflect only the Calendar Year-to-Date totals. (52 U.S.C. §30104(b))

RESPONSE: The committee has amended the May, June, July and August monthly reports to correct the totals listed on lines 21(a)(i), 21(a)(ii) and 32 Column B of the Detailed Summary Page(s).

2. Schedule H4 of your report discloses a payment(s) to "JW Strategies," which is categorized as an Administrative expense(s); however, the purpose(s) of disbursement disclosed is "Fundraising Consultant retainer." Please be advised that payments made for your committee's fundraising activities must be allocated according to the funds received method and the ratio reflected on Schedule H2. Please amend your report to clarify the appropriate category for this activity(s) or provide clarifying information regarding this apparent discrepancy(s). (11 CFR §106.7(d)(4))

RESPONSE: The Committee has engaged JW Strategies to work as a consultant for a review, recommendation and assistance for revenue generation. Their role is to provide guidance and strategic alternatives for the committee that support both federal and state revenue generation. The Committee has reviewed the filing and has corrected the description of the purpose of the disbursement to more accurately reflect the disbursement as a financial consultant. When the committee engages JW Strategies to provide services directly associated with a fundraising event or donor solicitation of contributions, the funds received method for ratios will be applied to the payment to them for those services.
