FEC MISCELLANEOUS TEXT RELATED TO A REPORT, SCHEDULE OR ITEMIZATION**Form/Schedule: F2N****Transaction ID :**

My husband died he was a Col in the military. He told me to stand up for what you believe in The United States is the greatest country in the world. I am no one except a female American citizen that loves her country and wants to try to make things better There was a movie with jimmy stewart as a young senator who set out to do good for the American people If someone like me doesnt at least try to help our government then all the people that complain and do nothing are part of the problem My husband use to always say be part of the solution not part of the problem My husband is recommended for the congressional Medal of Honor. He saved a bunch of troops from a burning plane. He was my hero my officer and gentleman. He mentored me that you can do anything you set your mind to I am a farm giirl military dependent widow that would like to help other women widows etc that can at least try to improve our government Can you imagine the possibilities of our Congress going to work with the sole premise of helping the American people no bickering no fighting just remembering why they were elected in the first place. What a difference we could make I am at least trying If I was given donations for a campaign the first thing I would say is stop the bickering we are all Americans lets just try to solve the problems instead of wasting tax dollars on bickering I am a military dependent wife. I have seen first hand what freedom is lets just try to keep it that way and pave the way for women to try to make the world a better place
