The committee respectfully submits this response to the Request for Additional Information regarding transfers from Faith and Family First Fund disclosed on Schedule A supporting Line 12 of the Year-End Report.

The committee acknowledges that Faith and Family First Fund was not listed as a joint fundraising representative on the committee's Statement of Organization at the time of filing. This was a technical oversight that occurred in connection with the termination of the prior joint fundraising committee arrangement. The committee has filed an amended Statement of Organization (FEC Form 1) today, April 1, 2026, to add Faith and Family First Fund as a joint fundraising representative and authorized committee of the candidate, consistent with the requirements of 11 CFR 102.2(b)(1)(i) and 11 CFR 102.17(b)(2).

The committee believes this amended Form 1 fully resolves the matter identified in the RFAI.
