NON-FEDERAL CAMPAIGN FINANCING

## FEDERAL ELECTION COMMISSION

## Instructions for Statement of Candidacy (FEC FORM 2)

**Who Must File FEC Form 2**

Each individual who is a candidate for federal office must file FEC FORM 2 or, if not filing electronically, a letter containing the same information within 15 days of becoming a candidate. An individual becomes a candidate for federal office whenever any of the following events occur:

- The individual has received contributions aggregating in excess of \$5,000 or made expenditures aggregating in excess of \$5,000;
- The individual has given his or her consent to another person to receive contributions or make expenditures on behalf of that individual and such person has received contributions aggregating in excess of \$5,000 or made expenditures aggregating in excess of \$5,000;
- The aggregate of contributions received in 1 and 2 above combined exceeds \$5,000 or the aggregate of expenditures made in 1 and 2 above combined exceeds \$5,000.

Funds received and payments made for the purpose of determining whether an individual should become a candidate are not considered "contributions" or "expenditures" which may trigger candidacy. Only funds permissible under the Act may be used for such activities. See 11 CFR 100.72(b) and 100.131 for further information.

**Note:** Political committees (except for principal campaign committees of Senate candidates) must file reports in an electronic format under 11 CFR 104.18 if they have either received contributions or made expenditures in excess of \$50,000 during a calendar year, or if they have reason to expect that they will exceed either of those thresholds during the calendar year. If the committee has reached this level of activity, you must file this form in an electronic format.

An authorized committee of a candidate is considered to have reason to expect it will exceed the electronic fil-

ing threshold for the next two calendar years after the calendar year in which it exceeds \$50,000 in contributions or expenditures.

A new authorized committee with no previous contributions or expenditures is considered to have reason to expect it will exceed the electronic filing threshold if it exceeds \$12,500 in contributions or expenditures during the first calendar quarter of the calendar year, or \$25,000 in contributions or expenditures in the first half of the calendar year.

Contact the FEC for more information on filing electronically.

**When to File**

FEC FORM 2 must be filed within 15 days after an individual becomes a candidate (i.e., exceeds the \$5,000 threshold as stated in 1, 2, and 3, above).

**Candidate Duties and Responsibilities**

The candidate is personally responsible for the timely and complete filing of this Statement and for the accuracy of any information contained in it.

Any candidate who receives a contribution, obtains a loan or makes a disbursement in connection with his or her campaign is considered to have received the contribution, obtained the loan or made the disbursement as an agent of his or her authorized committee(s).

When an individual becomes a candidate, all funds received, loans obtained or disbursements made prior to becoming a candidate in connection with his or her campaign are considered to have been received, obtained, or made as an agent of his or her authorized committee(s) and must be reported in the first report filed by the candidate's principal campaign committee.
