All payments reported on Line 21b are operating and administrative payments solely benefiting and on behalf of the National Republican Congressional Committee. As such, they are not made on behalf of any specifically identified federal candidates, nor do they constitute public communications or voter drive activity containing express advocacy. Therefore, these disbursements are correctly reported on Schedule B for Line 21b, and do not require a Schedule B, Schedule E, or Schedule F for lines 23, 24 or 25. The Committee has reviewed all reimbursements to individuals for travel and subsistence and confirms that no further itemization is required under any Commission regulations for these expenditures. With respect to coordinated expenditures disclosed on Schedule F, the Commission's software only permits one authorizing committee to be listed. However, the National Republican Congressional Committee has received spending authorization from both the Republican National Committee and the applicable state parties. The interest rate for the Committee's Line of Credit is LIBOR + 1.75%. The Commission's software specifications do not permit text in the interest rate fields on Schedule C. The aggregate coordinated expenditure total for Ricky Gill represents all coordinated expenditures on behalf of candidates for the 9th district of California. The aggregate coordinated expenditures total for Jonathon Paton represents all coordinated expenditures on behalf of candidates for the 1st district of Arizona. This amendment is being filed to correct a donor reporting error. \$ 8,300 that was incorrectly listed as coming from Thomas Connors was actually received from Mr. Harold Matzner (page 1011). Column A and Column B totals remain unchanged.
