No expenditure was made on behalf of a specifically identified federal candidate, and no expenditure was for a public communication that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. The payments disclosed on Schedule B for Line 21(b) for fundraising activities did not constitute public communications that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. While these disbursements were eligible for allocation using the funds-received method, the Committee elected to pay these expenses with 100% federal funds. No employee of the Committee spent less than 25% of compensated time during the reporting period engaged in Federal Election Activity.
