This PAC made a donation to Voters for Luallin, who was the LP candidate in South Dakota for the US House seat in 2020.

The donation was for \$100, and made on 3 October, 2020.

Apparently this donation did not appear on the FEC pre-general report.

I don't think Voters for Luallin filed as a FEC committee, as they probably didn't raise or spend \$5,000.

However, the committee balance at the end of 2020 was \$106.82, and the current balance is still \$106.82, hence why I was hesitant to amend the report.

Acknowledgement of the above donation to a federal candidate should qualify this PAC as a multicandidate PAC.
