Reference: AMENDED APRIL QUARTERLY REPORT (01/01/2023 - 03/31/2023), RECEIVED 05/11/2023

Dear Mr. Austin:

This statement is in response to your June 22, 2023 Request for Additional Information concerning two items related to the committee's above-referenced report ("Original Amended Report").

In regard to the first item identified in your letter, the contribution from International Association of Firefighters Interested In Registration and Education was not properly designated to the correct election. Accordingly, concurrently with this response, the committee is filing an amended version of the report ("Second Amended Report") to accurately reflect the proper election designation.

As to the second item identified in your letter, the Second Amended Report reflects the correct date that the Committee received the contribution from Heartland Values PAC (the Original Amended Report reflected the correct refund date for this contribution). Moreover, as to the comment at the end of your letter, the Committee has confirmed that the dates for this election cycle entered in its reporting software are correct – i.e., 11/9/2022 through 11/7/2028. One expense on the Original Amended Report reflected an incorrect date from prior to the current election cycle, resulting in incorrect aggregates; the date for that expense has been corrected on the Second Amended Report.

Please feel free to contact me if you have any additional questions concerning this matter.

Sincerely,

Janna Rutland
Treasurer
