

This memo is in response to FEC Letter dated 7 25 2011 referencing the Amended June Monthly report. To correct item 1 and 2 I have amended the April monthly report and the May monthly report to correct the name on the allocated activity Schedule H2 report for Gala Dinner 2011 so that all have the same name. The correction is also reflected in the Schedule H4 allocated event expenditures for Gala Dinner 2011 correcting the year to date total for this fundraising activity. All reports April, May and June now reflect the same fundraising activity as Gala Dinner 2011.
