Re: RFAI received referencing: YEAR-END REPORT (10/01/2025 - 12/31/2025)

In the quarterly report for Q3 2025 there were two Jake Levine entities in the database. One was marked as the candidate and one wasn't. The one that wasn't marked as a candidate, had a \$7,000 contribution associated with it.

On the Q4 2026 report both Jake Levine entities were merged, and relative to the Q3 report, the total individual contributions Line 11a(iii) Column B is \$7,000 less and Candidate Contributions 11d is increased by \$7,000.
