SCOTT ALAN BROKKE, TREASURER
DON BACON FOR CONGRESS
P.O. BOX 391368

Response Due Date
09/08/2025

IDENTIFICATION NUMBER: C00575167

REFERENCE: JULY QUARTERLY REPORT (04/01/2025 - 06/30/2025)

Dear Treasurer:

This notice is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 item(s):

1. Schedule A of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached). The Commission notes your additional explanation regarding the committee's corrective action taken for all of these contributions.

An individual or a political committee other than an authorized committee or a qualified multi-candidate committee may not make a contribution(s) to a candidate for federal office in excess of \$3,500 per election. An authorized committee may not make a contribution(s) to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (52 U.S.C. § 30116(a) and (f); 11 CFR §§ 110.1(b), (e) and (k), and 102.13(c))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

Please be reminded that all refunds, redesignations and reattributions must be made within 60 days of receipt of the contribution. To date, one or more of the apparent excessive contributions have not been refunded, redesignated, or

reattributed.

For reattributions, the funds can be retained if, within 60 days of receipt, the excessive amount was properly reattributed to another person. An excessive contribution is considered properly reattributed if (1) the contributors provide the committee with written authorization of a reattribution, signed by each contributor, indicating the amount of the contribution to be attributed to each contributor; or (2) the committee reattributes by presumption the excessive portion of the contribution if the contribution was made on a written instrument from a joint account and was signed by only one of the account holders. In this case, the treasurer must notify the contributors in writing within 60 days of receiving the contribution that the committee intends to reattribute the excessive portion and must give the contributor an opportunity to request a refund. (11 CFR § 110.1(k)(3)(ii)(B))

For redesignations, the funds can be retained if, within 60 days of receipt, the excessive amount was properly designated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written authorization from the contributor to redesignate the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) the committee redesignates by presumption the excessive portion of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B)) A contribution can only be redesignated to a previous election to the extent that the contribution does not exceed the committee's net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If the foregoing conditions for reattributions or redesignations are not met within 60 days of receipt, the excessive amount must be refunded. (11 CFR § 103.3(b)(1))

Please inform the Commission of your corrective action promptly by filing an amended report or Miscellaneous Document (Form 99 for electronic filers). If a remedy will be disclosed in a future reporting period, please provide the date and amount of the remedy in your response. The committee should retain records of refunds, redesignations, and/or reattributions of the contributions in question. Refunds are reported on Line 20(a), (b), or (c), as applicable, of the

DON BACON FOR CONGRESS

Page 3 of 4

Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund or redesignate and/or reattribute the excessive amount will be taken into consideration.

2. While it is permissible for a person to make a contribution for the general election prior to the primary election, the recipient committee must employ an acceptable accounting method to distinguish between primary and general election contributions. (11 CFR § 102.9(e)) This general election amount must be maintained in the committee's account.

Since the candidate is not seeking office and will not participate in the general election, any contributions received for the general election must be returned to the donors, in accordance with 11 CFR § 110.1(b)(3). The use of general election contributions to pay primary debts and obligations is prohibited under the Act as such use could result in individuals making contributions with respect to the primary election in excess of the \$3,500 per election limit.

The attached general election contributions do not appear to have been remedied. Any subsequent report(s) filed with the Commission must disclose the refund of any general election contributions. Refunds must be done within 60 days after the candidate's announcement not to seek office/re-election.

Please inform the Commission of your corrective action promptly by filing an amended report or Miscellaneous Document (Form 99 for electronic filers). If a remedy will be disclosed in a future reporting period, please provide the date and amount of the remedy in your response. The committee should retain records of refunds of the contributions in question. Refunds are reported on Line 20(a), (b) or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. (11 CFR § 104.8(d)(4))

Although the Commission may take further legal action, your prompt action to refund these contributions will be taken into consideration.

3. Schedule B supporting Line 12 discloses a refund of a contribution received

from Independent Insurance Agents & Brokers PAC (INSURPAC) on 3/13/2025. However, it appears that your committee did not report the receipt of the original contribution. Please amend the appropriate report(s) to disclose the original contribution or provide clarifying information. (52 U.S.C. § 30104(b) and 11 CFR § 104.3(a) & (b))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. For information about the report review process or specific filing information for your committee type, please visit www.fec.gov/help-candidates-and-committees. For more information about Requests for Additional Information (RAI), why you received a letter, and how to respond, please visit www.fec.gov/help-candidates-and-committees/request-additional-information.
