In order to clarify the contribution made to Gordon Smith for US Senate on 3/4/2005, we have added two memo entries that disclose the designation of the funds to Debt Retirement for the 1996 Primary and General elections.

Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected.
