Chapter 11

Redesignations of contributions made

In the report covering the period during which the SSF made the redesignation, itemize as memo entries:

- Information on the contribution as it was previously disclosed; and
- Information on the contribution as it was redesignated, including the date of the redesignation and the election to which the contribution was redesignated.

If a contribution to a candidate is redesignated after the close of books, show the redesignation on the next report and indicate the report on which the original contribution was itemized.

In example 11–9, the committee originally made a \$5,500 contribution to a candidate’s campaign, intending it to count toward the primary election. The committee itemized the contribution in its September Monthly report. The following month, the campaign requested that the SSF redesignate \$500. The committee itemized the redesignation in its October Monthly report.
