FEC MISCELLANEOUS TEXT RELATED TO A REPORT, SCHEDULE OR ITEMIZATION**Form/Schedule: F3A****Transaction ID :**

This report is being amended to correct two issues. First, five donations were incorrectly attributed to the primary election when they should have been attributed to the general election. This caused certain contributions to appear over the permitted limit. Those entries have been corrected, and explanatory memos have been added. Second, some donations in the original report were incorrectly flagged as memo entries due to improper use of the transaction split function in FECFile. The incorrect memo flags have been removed, and memos have been added to explain how the transactions were split. This is why the total contributions shown in later reports were higher than in the original filing.
