RE: Candidate ID Number: H0FN02017

Dear Ms. Balderama:

This letter will serve as a follow up to our telephone conversation and discussion of the above on Monday, June 17. As we discussed, while I have received contributions in excess of \$5,000.00 in a race for Congress, I have not legally qualified as a candidate with either the local or State Election Commission for the 2002 election for the United States House of Representatives.

As I related to you, we are revising our Committee to include the following:

1. We are designating our political committee as our principal campaign committee for the 2004 elections.
2. We will be sending to you copies of correspondence re-allocating any and all contributions received to date as allocated for the 2004 election.

Enclosed is our designation of principal campaign committee, FEC Form 2 which we are submitting and which is otherwise required by the Federal Election Commission.

As we further discussed, I understand that as a federal candidate I can contribute to other federal candidates up to the extent of \$1,000.00 per election from this campaign committee.

Please let me know when you have received this statement of candidacy. Thank you for your consideration of this matter.

Sincerely yours,

David H. Dunaway
