Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected.

Form/Schedule: **SA11AI**

Transaction ID:

This report is being amended to correct line 11a(i) and 11a(ii). An internal audit revealed the the itemization had been miscalculated for several individuals. The total amount of receipts did not change, nor did the ending cash on hand balance. Please update your records accordingly.
