Except as specifically identified, no expenditure was made on behalf of a specifically identified federal candidate, and no expenditure was for a public communication that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. Except as specifically identified, no expenditure was for a public communication or voter drive activity containing express advocacy or that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. The payments disclosed on Schedule B for Line 21(b) for fundraising activities did not constitute public communications that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. While these disbursements were eligible for allocation using the funds-received method, the Committee elected to pay these expenses with 100% federal funds. Payments for salaries and related fringe benefits disclosed on Schedule H4 are for employees who spent less than 25% of their time engaged in activities in connection to any federal election. The memo entries for the joint fundraising transfer from Thunder and Lightning Fund show zero aggregate year to date because the underlying contributions were received by the joint fundraising representative in 2018 and the contribution count against the 2018 limits for the committee. While the year-to-date for 2019 is zero the correct aggregate year to date for each memo entry is the same as the actual allocated contribution disclosed on this report.
