IDENTIFICATION NUMBER: C00510164

REFERENCE: 30 DAY POST-GENERAL REPORT (10/15/2020 - 11/23/2020)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 5 item(s):

1. Schedule A of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached).

An individual or a political committee other than an authorized committee or qualified multi-candidate committee may not make a contribution(s) to a candidate for federal office in excess of \$2,800 per election. An authorized committee may not make a contribution(s) to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (52 U.S.C. § 30116(a) and (f) (formerly 2 U.S.C. § 441a(a) and (f)); 11 CFR § 110.1(b), (e) and (k))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information. If any contribution you received exceeds the limits, you may have to refund the excessive amount.

Excessive contributions may be retained if, within 60 days of receipt, the excessive portions are properly redesignated or reattributed. Guidelines for each option are provided below.

For reattributions, excessive contributions from individuals can be retained if, within 60 days of receipt, the excessive amount is properly reattributed to another person. Please note that reattributions only apply to excessive contributions from individuals. An excessive contribution is considered properly reattributed if (1) the contributors provide the committee with written documentation, signed by each contributor, authorizing a reattribution and indicating the amount of the contribution to be attributed to each contributor; or (2) the committee reattributes by presumption the excessive portion of the contribution if the contribution was made on a written instrument from a joint account and was signed by only one of the account holders. In this case, the treasurer must notify the contributors in writing within 60 days of receiving the contribution that the committee intends to reattribute the excessive portion and must give the contributor an opportunity to request a refund. (11 CFR § 110.1(k)(3)(ii)(B))

For redesignations, the funds can be retained if, within 60 days of receipt, the excessive amount is properly redesignated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) your committee redesignates by presumption the excessive portion of the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B)) Please note that you cannot presumptively redesignate an excessive contribution from a multi-candidate committee. Also, a contribution can only be redesignated to a previous election to the extent that the contribution does not exceed the committee's net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If the foregoing conditions for reattributions or redesignations are not met within 60 days of receipt of the contribution, the excessive amount must be refunded. See 11 CFR § 103.3(b)(1).

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/or letters reattributing or redesignating the contributions in question.

Refunds are reported on Line 20(a), (b), or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund, redesignate, and/or reattribute the excessive amount will be taken into consideration.

2. Schedule A of your report discloses one or more contributions received after the 2020 general election that are designated for the 2020 general. These contributions may only be accepted to the extent that the committee has net debts outstanding from the 2020 general election. For more information on how to calculate net debts outstanding, please see page 27 of the Campaign Guide for Congressional Candidates and Committees, which is available online at <https://www.fec.gov/resources/cms-content/documents/candgui.pdf>. (11 CFR § 110.1(b)(3)(i))

A contribution is considered made when the contributor relinquishes control over the contribution. A contributor shall be considered to have relinquished control over the contribution when it is delivered to the candidate, when it is delivered to an authorized committee of the candidate, or to an agent of an authorized committee of the candidate. A contribution that is mailed to any of the aforementioned recipients will be considered made on the date of the postmark. Envelopes should be retained for the committee's records. (11 CFR § 110.1(b)(6))

If any contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information. If a contribution was made by the contributor before or on the date of the applicable election, please amend your report to indicate this using memo text, or provide this information in a Miscellaneous Document (Form 99 for electronic filers).

If a contribution exceeds the amount of net debts outstanding from the 2020 general election, you may have to refund or redesignate the contribution.

The funds can be retained if, within 60 days of receipt, the excessive amount was properly redesignated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written

documentation from the contributor(s) authorizing the redesignation of the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election, or (2) the committee redesignates by presumption the excessive portion of the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B))

If the foregoing conditions for redesignations are not met within 60 days of receipt, the excessive amount must be refunded. See 11 CFR § 103.3(b)(3).

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/or letters redesignating the contributions in question. Refunds are reported on Line 20(a), (b) or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund or redesignate the excessive amount will be taken into consideration.

3. Schedule A of your report discloses one or more contributions from an organization(s) which is not a political committee registered with the Commission (see attached). In order for your committee to accept contributions from unregistered organizations, your committee should take steps to ensure that the contributor(s) used permissible funds to make the contribution(s) to avoid violating 52 U.S.C. §§ 30116(f) and 30118 (formerly 2 U.S.C. §§ 441a(f) and 441b) or 11 CFR § 102.5(b). Under 11 CFR § 102.5(b), organizations which are not political committees under the Act and choose to contribute to federal committees must either: (1) establish a separate account which contains only those funds permitted under the Act, or (2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying

information. In addition, please clarify whether the contribution(s) received from the referenced organization(s) is permissible.

If you have received prohibited contributions, you must make a refund. (11 CFR § 103.3(b)(1)) The refund must be made within 30 days of the treasurer becoming aware of the illegality of the contribution. (11 CFR § 103.3(b)(2))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide a photocopy of any refund checks. Refunds must be reported on a Schedule B supporting Line 20(b) or (c), as applicable, of the report covering the period in which the refund was made. (11 CFR § 104.8(d)(4))

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, your prompt action to refund the prohibited amount will be taken into consideration.

4. Schedule A of your report indicates that your committee may have failed to file one or more of the required 48-hour notices regarding "last minute" contributions (to include loans, in-kind contributions, and advances) received by your committee after the close of books for the **12 Day Pre-General Report** (see attached). A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. The failure to file 48-hour notices may result in civil money penalties or legal enforcement action. (11 CFR § 104.5(f))

If any contribution of \$1,000 or more was incorrectly reported, you must amend your original report with the clarifying information.

5. Your calculations for debts on Schedule D are incorrect (Outstanding Balance Beginning This Period + Amount Incurred This Period - Payment This Period = Outstanding Balance at Close of This Period). (11 CFR § 104.3(d)) Please amend your report to correct the discrepancies for the attached debt.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will

be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. Response to FEC RFAI dated /due April 14, 2021

RECEIVED
FEC MAIL CENTER

2021 APR 29 PM 12:01

This letter is written in response to the Commissions' preliminary review of the 30 Day Post-General Report (10.15.20 to 11.23.20).

1.

- Barbour, Ida M: Corrective action was taken in the form of a refund to Ida Barbour, check 2589, dated 10.30.20 in the amount of \$3225.00. A copy of the refund check has been mailed to the FEC on 4.14.20. \$2000 of the funds received have been re-designate to the next cycle P2022.
- Finestra, Tonia and Carmen: Corrective action was taken in the form of a refund to Carmen Finestra, check 2580, dated 10.28.20 in the amount of \$961.39. This excess contribution revolved around an in-kind contribution from Carmen and Tonia Finestra. Tonia (Carmen's wife) has no excess contribution. A copy of the refund check has been mailed to the FEC on 4.14.20. Please see print outs of contributions applied to the Finestras. Tonia (Carmen's wife) has no excess contribution.
- Eric Schwenk 6.15.20 to Eric (\$2800.00). The 48-hour report correctly shows contribution on 10.22.20 was designated to Laura Schwenk (wife). The report was reflected to correct this contribution correctly.

2.

- 2020 General Election received after 2020 General posted as contribution for GE 2020.
- The committee did not incur debts outstanding in the general election. The contributions that are referred to were incorrectly data entried as the deposit date.
- The report has been amended to reflect the date the contributor relinquished control of the contribution.

3.

- Non-Federal Committees - The funds used to contribute to Patriots for Perry were permissible funds – using a reasonable accounting method that the organization has received sufficient funds subject to the limitation and prohibitions in order to make the contribution.
- Spoke to Treasurer of Cumberland County Republican Women to clarify that these were permissible funds at the time we received the contribution check.
- Have since spoken to the Treasurer of Friends of Haste and Pries to confirm that these funds were permissible.

4.

- 48-Hour Notices – We have reviewed our procedures for checking contributions received during the 12 Day Pre-General period. We acknowledge that several of the contributions were omitted in error.
 - Taylor, Margaretta – Direct Mail – This was inadvertently left off the 48-Hour report.
 - Davison, Richard - Direct Mail – This contribution was from Kay Davison, Richard's wife. The 48- hour report does not include the Davison's. Richard did

2021-05-04 03:03:17 8

not give at the time. We corrected the record to correct the error. Proof of contribution is included in the mailed package to the FEC 4.14.20.

- Barbour, Ida M – Ida Barbour's contribution from 10.22.20 was re-attributed to the P2022 cycle therefore she was not included on the 48-Hour report. Please refer to her donor record mailed in packet.
- Schwenk, Laura – is on report as Eric. The report has been corrected to reflect the contribution from Laura. The 48 hr report is correct.
- Minkin, James – the name appears on the 48 hr report but did not reflect the amount the donor gave. The Report itself is correct. This was a technical error. See copy of 48-Hour Notice.
- Tomai, Daniel E. – Daniel Tomai was a charge back (NFS) of \$2800.00 as of 10.28.20 so was not shown on the 48-Hour report as a contribution.

5.

- Debt on Schedule D were incorrectly calculated. This correction has been made in the corresponding amendment to this report.

Lisa,

The simple answer is yes. We know the rules and followed them. Haste and Pries did not exceed the \$1000 threshold to any and all Federal entities registered with the FEC in the calendar year, to the best of my knowledge.

Hi Joe,

The FEC has asked through a primary review of our Post Election Report 2020 (Patriots for Perry) if the funds that were contributed to our campaign were permissible funds under the 11CFR 102.5(b), which states that organizations which are not political committees under the Act and choose to contribute to federal committees must either:

1. Establish a separate account which contains only those funds permitted under the Act, or
2. demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions to make the contribution.

Can you establish that we (your committee) is compliant? I know that we confirmed that Friends of Haste and Pries is a committee that did not meet the threshold to register with the FEC in 2020 - The threshold being - \$1000 given in a calendar year to ALL federal entities registered with the FEC.

Thank you.
