Line 16. Refunds of Contributions

Itemize refunds of contributions made by the SSF on a Schedule A regardless of their amount. See Section 5 for more information on how to report them. Enter the total on Line 16.

Line 17. Other Receipts

This category includes interest and dividends earned on investments. Itemize these receipts on a Schedule A once the committee receives more than \$200 from the same source during a calendar year. Enter the total under this category on Line 17. See Section 6 for more information on interest and dividends.

Line 18. Transfers from Nonfederal Account for Joint Activity

If the committee maintains a non-federal account for state and local election activities and pays its own administrative expenses, the federal account (the SSF) may accept a transfer of funds from the nonfederal account for the sole purpose of covering its share of a joint federal and nonfederal expense. 105.6(e)(1)(i). Report the total amount transferred from the nonfederal account during the period (i.e., the total from Schedule H3) on Line 18.

Other rules concerning these transfers are explained in Appendix A.

Other Disbursements: \$200 Threshold

A disbursement that does not fall under one of the categories listed above (such as a donation to a nonfederal candidate) must be itemized if it exceeds \$200 when aggregated with other disbursements made to the same payee during the calendar year.

How to Itemize Disbursements

Categorizing Disbursements

Before beginning to itemize the committee's disbursements, separate them into the different categories listed on the Detailed Summary Page ("Operating Expenses," "Contributions to Federal Candidates," etc.; an illustration of a completed Detailed Summary Page appears on page 37). The disbursements in each category must be itemized on a separate Schedule B designated for that category.

Indicate the type of disbursement itemized on a particular Schedule B by entering the corresponding line number from the Detailed Summary Page in the upper right corner of the schedule. The appropriate category of disbursement may also be written at the top of each page.

Some categories may require several pages. The total for each category should be entered on the bottom line of the last page for that category.

Itemized Information

Itemized disbursement information includes:

- Name of payee;
- Address of payee;
- Purpose of disbursement (a brief but specific description of why the disbursement was made—see Schedule B instructions and 104.3(b)(3)(i)(B));
- Date of payment; and
- Amount.

104.3(b)(3); 104.9.

Additional Information on Candidates

Further information is required when itemizing a contribution to a candidate committee on Schedule B. Include the candidate's name and the office sought (including the state and, if applicable, Congressional district). When itemizing a contribution or loan to a candidate committee, specify the election for which the payment was made by checking the appropriate category in the election designation box. 104.3(b)(3)(v). See illustrations above.

When to Itemize Disbursements

Regardless of Amount

Several types of disbursements must be itemized regardless of amount:

- Transfers to affiliated SSFs;
- Contributions to candidates and political committees;
- Loan repayments; and
- Loans made by the SSF.

Note that refunds of contributions (Line 26 on the Detailed Summary Page) must be itemized on Schedule B only if the incoming contribution had to be itemized on Schedule A, as explained earlier in this chapter.
