Reference October Quarterly Report (07/23/2020 09/30/2020)

To Whom It May Concern:

We are in receipt of the letter from the Commission regarding the above referenced report. Please see below for our complete response.

1. In-Kind Contributions: The analyst has communicated to our committee that the in-kind reporting was handled properly and no changes are necessary.

2. Employer/Occupation Entries: Our committee does have in place a system that meets the best efforts standard established by the Commission. All of our original solicitations have the request for employer and occupation information on them. We inform the potential donor that we are required by federal law to request this information. For the donors that do not provide that information, we automatically send them a written request for it within 30 days. This follow up does not request any additional monies, includes a pre-addressed return envelope and again informs the person of the federal requirement for requesting this information. Finally, we add the new information to our database and include it in amended reports filed with the commission and subsequent reports going forward.

Thank you for the opportunity to respond. Please contact us if you need any additional information.

Sincerely,

Paul Kilgore, Treasurer
Clyde for Congress, Inc.
