Payments for 'Payroll, 'Payroll Taxes' and 'Health Insurance ' on Schedule H4 are for those individuals who did not spend more than 25% of their time during the period on activity in connection with a federal election. The prices paid for voter file purchases are established using comparable prices charged by other state party committees throughout the country on a per record cost. the exact price paid to the committee by each entity is determined by multiplying the per record cost by the number of records provided in the file purchased. funds from the Democratic National committee, The Democratic Senatorial Campaign committee, and the Democratic Congressional campaign Committee were not earmarked for any particular activity with the committee.
