April 01, 2001,

It is with deep regret that I must resign as treasurer of the Miles for Senate Campaign, effective immediately. Given your concession in early June of 2000, I had hoped to be able to do all final filings to avoid the necessity that you find a new treasurer. I had believed the additional filings and work would be minimal.

Unfortunately, that is not the case. The continued correspondence from the FEC appear to be endless. I simply do not have the time, patience, or emotional resources to devote to these matters.

As always, I wish you the best. I trust you will be able to find a new treasurer who will be an expert in the FEC filings.
