Form/Schedule: SB23

Transaction ID :

In order to correctly split a contribution originally given in full to the state account of the Georgia Republican Party, we have included a re-designation about how the funds were ultimately split by the recipient committee. We are also filing a response to a Request for Additional Information today. Though the Reports Analyst advised that a letter alone would suffice to close the matter, we felt that it was important to accurately reflect the federal portion of the contribution for the public record.
