D. J. O'Brian, Treasurer
Norfolk Southern Corporation

Three Commercial Place
Norfolk, VA 23510

DEC 15 1999

Identification Number: C00009282

Reference: July Monthly Report (6/1/99-6/30/99)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-You must attempt to obtain the full name, mailing address, occupation and name of employer for all individuals who contribute more than \$200 in a calendar year. Please amend your report to include the omitted information.

A committee may establish "best efforts" by providing the Commission with a description of its procedures for requesting the information. It is also in the best interests of the committee to provide a copy of its solicitation. In order to establish "best efforts", the committee must demonstrate that it makes at least one request for the information after the contribution is received. This one request must be made for any solicited or unsolicited contribution that, in the aggregate, exceeds the \$200 threshold and lacks the necessary information.

Each solicitation must include a clear and conspicuous request for the information. If a committee receives a contribution that, in the aggregate, exceeds the \$200 threshold but lacks contributor information, the committee must, within 30 days, make a written or oral request for the information.

contributor, but is available in any of the committee's records for that current election cycle.

If a committee receives contributor information after the contributions have been reported, the committee shall either a) file with its next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before its next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR §104.3(a)(4)(i) and 11 CFR § 104.7)

-Schedule B of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(a) precludes a multicandidate committee and its affiliates from making a contribution to a candidate for federal office in excess of \$5,000 per election.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an excessive contribution, you should notify the recipient and request a refund of the amount in excess of \$5,000 and/or notify the recipient in writing of your redesignation of the contribution. In the best interest of your committee, all refunds and redesignations should be made within sixty days of the treasurer's receipt of the contribution(s).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding the excessive contribution(s), your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

-Your calculations for Line 31, Column A appear to be incorrect. FEC calculations disclose this amount(s) to be \$28,200. Please provide the corrected total(s) on the Detailed Summary Page.
