Mr. Bradley Austin
Senior Campaign Finance and Reviewing Analyst – Reports Analysis Division
Federal Election Commission
Washington, DC 20463

Dear Mr. Austin,

Thank you for your letter dated March 24, 2025.

You were correct that our October Quarterly Report from 2024 reflected excessive contributions from the following individuals:

Laura Arnold (over by \$3,300 to the 2026 Primary Election)

John Easton (over by \$1,500 to the 2026 Primary Election)

Alexander Silbey (over by \$3,300 to the 2026 Primary Election)

Stand for America PAC contributed \$5,000 on 9/29/2024. Based on our conservation and further review, we concur that the donation was excessive based on the current status of Stand for America PAC. A refund of \$1,700 is appropriate.

Refunds have been issued in the above amounts and will be reflected in our April 2025 Quarterly report.

Please let me know if you have any further questions.

Sincerely,

Amy A. Abbott
Finance Director
