RE: Bill McCollum for Congress Committee
FEC Identification Number: C00166041

Dear Mr. Hume,

Enclosed for filing with your office is the 1997 Year End Report for the period covering financial activity from July 1, 1997 to December 31, 1997 for this committee.

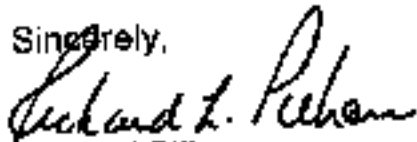

Pursuant to our telephone conversation with your office on November 24, 1997, we are providing the following information.

On November 26, 1997 we closed an account that was established to explore another federal office. This exploratory committee neither raised nor spent over \$5,000.00 and therefore was not required to register with the Federal Elections Commission as an official campaign committee.

Attached to this letter is a transaction report detailing the activity of this account. As instructed, all contributions listed on this transaction report were recorded as "memo entries" on the date the monies were received. Employer and occupation information as required by the FEC is on file. These memo entries do not effect the cash on hand balance for the 1996 Year End or 1997 Mid year FEC Reports previously filed with your office.

Should you have any questions or require additional information, please do not hesitate to contact me at the campaign office.

Sincerely,

Richard Pilhorn
Treasurer
