For reporting purposes we have used the term "Donor Outreach" on our Schedule B supporting line 21(b). We have contracted multiple companies to provide "Donor Outreach" services for us. "DonorOutreach" services include but are not limited to FUNDRAISING ACTIVITIES, DONOR DATABASE MANAGEMENT, CAGING AND ESROW, DIRECT MAIL SERVICES, Letterhead/Envelopes/Stationary and List Acquisition. Our PAC makes its best efforts to collect required record keeping information for individuals who have contributed more than \$200 in a calendar year. All original solicitation contain a clear and conspicuous request for the required contributor information on reply materials with the required explanatory statement. If the information is not provided to the Committee, then we will follow up by sending a letter to the donor within 30 days of the donation requesting the missing information. This letter is sent by itself with no solicitation. It clearly requests the missing information, informs the donor that federal law requires that we report this information and includes a return envelope. We then make sure to update the records and report any additional information to the Commission prior to our next reporting date, or as memo entries in the next regularly scheduled report.
