Response Due Date
03/02/2023

IDENTIFICATION NUMBER: C00797175

REFERENCE: 30 DAY POST-GENERAL REPORT (10/20/2022 - 11/28/2022)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedule A (see attached) discloses a contribution(s) from an individual(s) who has a mailing address outside of the United States of America. Please be advised that 52 U.S.C. § 30121(a) (formerly 2 U.S.C. §441e(a)) and 11 CFR §110.20 prohibit foreign nationals from making contributions in connection with any election for political office or in connection with any primary election, convention, or caucus held to select candidates for any political office.

If the apparently prohibited contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

If your committee follows the safe harbor guidelines outlined under 11 CFR §110.20(a)(7) for all contributions received from a foreign address to ensure that the sources of these contributions are not foreign nationals, please provide a detailed description of your procedures. These procedures must be used in all cases where a contributor or donor uses a foreign passport or passport number for identification purposes, provides a foreign address, makes a contribution or donation by means of a check or other written instrument drawn on a foreign bank or by wire transfer from a foreign bank, or resides abroad. A committee is deemed to have conducted a reasonable inquiry into the contributor or donor's nationality if you seek and obtain copies of current and valid U.S. passport papers for U.S. citizens. No person may rely on this safe harbor if he or she has actual knowledge that the source of the funds solicited, accepted, or received is a

foreign national.

If you have received a contribution from a foreign national, you must refund the impermissible contribution to the donor in accordance with 11 CFR §103.3(b). Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the refund. In addition, any refunds should be disclosed on Schedule B supporting Line 20(a) of the report during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of a prohibited contribution(s), prompt action on your part to refund or provide clarifying information concerning these contributions will be taken into consideration.

2. Schedule A of your report indicates that your committee may have failed to file one or more of the required 48-hour notices regarding "last minute" contributions (to include loans, in-kind contributions, and advances) received by your committee after the close of books for the 12 Day Pre-General Report (see attached). A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. The failure to file 48-hour notices may result in civil money penalties or legal enforcement action. (11 CFR § 104.5(f))

If any contribution of \$1,000 or more was incorrectly reported, you must amend your original report with the clarifying information.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just
