Identification Number: C00143743
Reference: Request for Additional Information issued 8/4/2021

The Request for Additional Information states that the report discloses a refund to Texans for Gregg Abbott without a previously disclosed contribution. The original contribution was received by the non-federal account and reported properly to the Texas Ethics Commission. The Committee decided to issue a partial refund from the federal account, as reflected on this report.

The RFAI also cites a summary number discrepancy, which has been addressed by amendments to the March and April Monthly reports.

Lastly, the RFAI cites two debt schedule issues, which have also been addressed by amendments to the March and April Monthly reports. Marriott Marquis Houston first appeared on the debt schedule on the 2020 Post General Report, and due to a software glitch, it did not appear on the March and April reports, and now that debt is properly reflected. USPS should not have appeared on the debt schedule at all and has been removed from the amended reports.

Sincerely,

Fred Tate
Treasurer
