REASON: The purpose of this loan is _____

WARRANT OF AUTHORITY TO CONFESS JUDGMENT. Upon default, in addition to all other remedies and rights available to you, by signing this Borrower irrevocably authorizes the publisher, clerk, or any attorney to appear in any court of record having jurisdiction over this matter and to confess judgment against me at any time without stay of execution. I waive notice, service of process and process. I agree and understand that judgment may be confessed against me for any unpaid principal, accrued interest and accrued charges due on this note, plus collection costs and reasonable attorney's fees up to 10 percent of the judgment. The exercise of the power to confess judgment will not exhaust this warrant of authority to confess judgment and may be done as often as you elect. I further understand that my property may be seized without prior notice to satisfy the debt owed. I knowingly, intentionally, and voluntarily waive any and all constitutional rights I have to pre-deprivation notice and hearing per federal and state laws and fully understand the consequences of this waiver.

ADDITIONAL TERMS:

ADDITIONAL TERMS OF THE NOTE

DEFINITIONS: As used on pages 1 and 2, "I," "me" or "my" means each Borrower who signs this note and each other person or legal entity (including guarantors, endorsers, and sureties) who agree to pay this note (together referred to as "us"). "You" or "your" means the Lender and its successors and assigns.

APPLICABLE LAW: The law of the state of Pennsylvania will govern this agreement. Any term of this agreement which is contrary to applicable law will not be effective, unless the law permits you and me to agree to such a variation. If any provision of this agreement cannot be enforced according to its terms, this fact will not affect the enforceability of the remainder of this agreement. No modification of this agreement may be made without your express written consent. Time is of the essence in this agreement.

PAYMENTS: Each payment I make on this note will first reduce the amount I owe you for charges which are neither interest nor principal. The remainder of each payment will then reduce accrued unpaid interest, and then unpaid principal. If you and I agree to a different application of payments, we will describe our agreement on this note. I may prepay a part of, or the entire balance of this loan without penalty, unless we specify to the contrary on this note. Any partial prepayments will not occur or reduce any later scheduled payments until this note is paid in full (unless, when I make the prepayments, you and I agree in writing to the contrary).

INTEREST: Interest accrues on the principal remaining unpaid from time to time, until paid in full. If I receive the principal in more than one advance, each advance will start to earn interest only when I receive the advance. The interest rate in effect on this note at any given time will apply to the entire principal sum outstanding at that time. Notwithstanding anything to the contrary, I do not agree to pay and you do not intend to charge any rate of interest that is higher than the maximum rate of interest you could charge under applicable law for the extension of credit that is agreed to in this note (either before or after maturity). If any notice of interest accrual is sent and is in error, we mutually agree to correct it, and if you actually collect more interest than allowed by law and this agreement, you agree to refund it to me.

INDEX RATE: The index will serve only as a device for setting the interest rate on this note. You do not guarantee by selecting this index, or the margin, that the interest rate on this note will be the same rate you charge on any other loans or class of loans you make to me or other borrowers.

POST MATURITY RATE: For purposes of deciding when the "Post Maturity Rate" (shown on page 1) applies, the term "maturity" means the earliest of the following:

- (a) the date of the last scheduled payment indicated on page 1 of this note;
- (b) the date you accelerate payment on the note; or
- (c) the date of judgment on this note by confession or otherwise and applies to amounts owed under this note on any such judgment until paid in full.

SINGLE ADVANCE LOANS: If this is a single advance loan, you and I expect that you will make only one advance of principal. However, you may add other amounts to the principal if you make any payments described in the "PAYMENTS BY LENDER" paragraph on page 2.

MULTIPLE ADVANCE LOANS: If this is a multiple advance loan, you and I expect that you will make more than one advance of principal. If this is closed end credit, repaying a part of the principal will not entitle me to additional credit.

ADVANCE PROCEDURE AND MEANS: You will advance the loan proceeds by way of check, cash, wire transfer, credit to an account, or any combination as you and I agree. The advance(s) will occur upon consummation of the loan and, you and I agree, except for any advance(s) will occur until after three business days from the date of consummation. If the loan is refinanced pursuant to Regulation Z (12 C.F.R. § 226).

SET-OFF: I agree that you may set off any amount due and payable under this note against any right I have to receive money from you.

"Right to receive money from you" means:

- (1) any deposit account balance I have with you;
- (2) any money owed to me on an account payable to you or in your possession for collection or exchange; and
- (3) any repurchase agreement or other nondeposit obligation.

"Any amount due and payable under this note" means the total amount of which you are entitled to demand payment under the terms of this note at the time you set off. This total includes any balance the due date for which you properly accelerate under this note.

If my right to receive money from you is also owned by someone who has not agreed to pay this note, your right of set-off will apply to my interest in the obligation and to any other amounts I could withdraw on my sole request or endorsement. Your right of set-off does not apply to an account or other obligation where my rights are only as a representative. It also does not apply to any Individual Retirement Account or other tax-deferred retirement account.

SIGNATURE - AGREE TO THE TERMS OF THIS AGREEMENT (INCLUDING THOSE ON PAGES 1 AND 2). I have received a copy on today's date.

SIGNATURE FOR LENDER:

You will not be liable for the dishonor of any check when the dishonor occurs because you set off this debt against any of my accounts. I agree to hold you harmless from any such claims arising as a result of your exercise of your right to set-off.

DEFAULT: I will be in default if any one or more of the following occur: (1) I fail to make a payment on time or in the amount due; (2) I fail to keep the Property Insured, if required; (3) I fail to pay, or keep any promise, on any debt or agreement I have with you; (4) any other creditor of mine attempts to collect any debt I owe him through court proceedings; (5) I die, am declared incompetent, make an assignment for the benefit of creditors, or become insolvent (either because my liabilities exceed my assets or I am unable to pay my debts as they become due); (6) I make any written statement or provide any financial information that is untrue or inaccurate at the time it was provided; (7) I do or fail to do something which causes you to believe you will have difficulty collecting the amount I owe you; (8) any collateral securing this note is used in a manner or for a purpose which threatens confiscation by a legal authority; (9) I change my name or assume an additional name without first notifying you before making such a change; (10) I fail to plant, cultivate and harvest crops in due season if I am a producer of crops; (11) any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 C.F.R. Part 1940, Subpart G, Exhibit M.

REMEDIES: If I am in default on this note you have, but are not limited to, the following remedies:

- (1) You may demand immediate payment of all I owe you under this note (principal, accrued unpaid interest and other accrued unpaid charges).
- (2) You may set off this debt against any right I have to the payment of money from you, subject to the terms of the "SET-OFF" paragraph herein.
- (3) You may demand security, additional security, or additional parties to be obligated to pay this note as a condition for not using any other remedy.
- (4) You may refuse to make advances to me or allow purchases on credit by me.
- (5) You may sue me in court, you have under state or federal law.
- (6) You may exercise any remedy given to you in any agreement securing this note.

By selecting any one or more of these remedies you do not give up your right to pursue later any other remedy. By waiving your right to declare acceleration in the event of default, you do not waive your right to consider later the event a default if it constitutes or becomes again.

COLLECTION COSTS AND ATTORNEY'S FEES: I agree to pay all costs of collection (whether or any other or similar type of cost if I am in default). In addition, if you hire an attorney to collect this note, I also agree to pay any fee you incur with such attorney plus court costs (where prohibited by law). To the extent permitted by the United States Bankruptcy Code, I also agree to pay the reasonable attorney's fees and costs you incur to collect this debt as awarded by any court applying the Bankruptcy Code.

WARRANTY: I give up my rights (to the extent permitted by law) to require you to do certain things. I will not require you to:

- (1) demand payment of amounts due (pursuant to);
- (2) obtain official certification of nonpayment (pursuant); or
- (3) give notice that amounts due have not been paid (notice of dishonor).

I waive any defenses I have based on suretyship or impairment of collateral.

OBLIGATIONS INDEPENDENT: I understand that I must pay this note even if someone else has also agreed to pay it for, for example, signing this form or a separate guarantee or endorsement. You may sue me alone, or anyone else who is obligated on this note, or any number of us together, to collect this note. You may without notice release any party to this agreement without releasing any other party. If you give up any of your rights, with or without notice, it will not affect my duty to pay this note. Any extension of new credit to any of us, or renewal of this note by all or less than all of us will not release me from my duty to pay it. In all cases, you are entitled to only one payment in full. I agree that you may at your option extend this note or the debt represented by this note, or any portion of the note or debt, from time to time without limit or notice and for any term without affecting my liability for payment of the note. I will not assign my obligation under this agreement without your prior written approval.

CREDIT INFORMATION: I agree and authorize you to obtain credit information about me from time to time (for example, by requesting a credit report and to report to others your credit experience with me (such as a credit reporting agency). I agree to provide you, upon request, any financial statement or information you may deem necessary. I warrant that the financial statements and information I provide to you are or will be accurate, correct and complete.
