Reference: Amended October Quarterly Report 7/1/16-9/30/16

Dear Mr. Michael:

This letter is in response to your request for additional information, dated April 11, 2017.

Your letter indicates that the Committee may have failed to timely file a required 48 hour report regarding a last minute expenditure. The Committee has reviewed the expenditure listed in your letter and agrees that, due to an invoice that was sent late by the vendor, the expenditure included on the 10/27/16 amended notice was not reported within the required 48 hour period. However, the expenditure was reported to the public prior to the election to which the expenditure related.

The Committee makes every effort to submit all required filings accurately and on time. The amended 48 hour report was filed immediately after the Committee received the additional information from the vendor. The Committee also amended the October Quarterly report to reflect this change. Please note that the Committee filed multiple 24 and 48 hour reports of independent expenditures in 2016 that were filed within the required timeframe.

The Committee has reviewed its process and will implement additional procedures to ensure that all future filings are submitted in a timely manner.

Sincerely,
Margaret Hoover
