Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule A supporting Line 11(a)(i) (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. 52 U.S.C. §30116(f) and 11 CFR §§110.1(d) and 110.2(d) prohibit a committee and its affiliates from receiving any contribution from another political committee or person in excess of \$5,000 per calendar year. However, Commission records indicate that your Committee maintains a Non-Contribution Account consistent with the stipulated judgment in *Carey v. FEC*.

If the apparently excessive contribution(s) in question was deposited into your Non-Contribution Account, please amend your report to disclose the item on Schedule A supporting Line 17 of the Detailed Summary Page and disclose "Non-Contribution Account" in the description field or in memo text. For more information please reference the "Reporting Guidance for Political Committees that Maintain a Non-Contribution Account" at <https://www.fec.gov/updates/fec-statement-on-carey-v-fec/>

If any contribution you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained if within 60 days of receipt, (1) the excessive amount was properly reattributed to another person, such as a joint account holder, by obtaining signed written authorizations from each person making the contribution pursuant to 11 CFR 110.1(k)(3), and (2) the treasurer informs the person making the contribution that he or she may request the return of the excessive portion of the contribution if it is not intended to be a joint
