Reference: Amended Post-General Report 10/20/16-11/28/16

Dear Mr. Michael:

This letter is in response to your request for additional information, dated April 11, 2017.

1. Your letter indicates that the Committee did not include a debt owed to Google that was disclosed as a MEMO entry on Schedule E. The Committee has reviewed its filing and has amended the post-general report to include the debt owed to Google for the estimated independent expenditure made in support of Mike Coffman on 10/28/16. The cost of that expenditure was correctly disclosed on Schedule E and a corresponding 24 hour report, filed on 10/28/16. All other debt on Schedule D of this report was accurately disclosed.
2. The Committee received a vendor refund from Grapeseed Media for an independent expenditure that it had previously disclosed. As recommended by the FEC, the refund was disclosed as a memo entry on Schedule A, Line 17 because it is not a refund of an operating expenditure, which would have been disclosed on line 15. The refund is additionally disclosed on Line 24, Schedule E because that is the only way to accurately adjust the independent expenditure aggregate totals for that specific Senate race. The Schedule A, Line 17 entry has to be disclosed as a memo or the Committee's cash on hand would be artificially inflated.

Sincerely,
Margaret Hoover
