Salaries, taxes and health insurance costs for employees found under line 21(a) are for employees that did not spend more than 25% of their time working on Federal Election activities. You will notice a number of voided Line 21a disbursement checks. There were all checks that never cleared our account. The non-federal portion of these joint disbursements were never included in any allocation transfers, therefore we don't need to reimburse the non-federal account.
