To Whom it May Concern:

Our committee has received for Request for Additional Information regarding the above referenced report. Please see below for our response.

When our committee receives a contribution that exceeds a donors contribution limit, we attempt to reattribute the excess funds to the donors spouse, where applicable. If the donor does not respond to the reattribution request within the 60-day window allowed by the FEC, the excess funds are refunded. The excessive portions of the contributions from Kevin Koozer and Mohammed Qazi were pending reattribution at the time of our original filing. Both donors have since been refunded the excessive amounts, and those refunds will be reflected on our October Quarterly Report.

Any contribution received from a business entity, unless known to be corporate, is sent a letter to verify the entity type of the organization, as well as the partnership attribution information. If we do not receive a response from the donor, the contribution is refunded. The contributions from Kimbrough Recruiting LLC and Roden Love LLC have since been refunded and were included on our July Quarterly Report.

Should you have any further questions about this filing, please let us know.

Sincerely,

Nancy Mace for Congress
