A fraudulent check for \$492.71 was drawn from our account on 4/12/16. It appears the criminal had obtained our bank routing and account number and imprinted it on a fake check. I noticed the fraudulent activity on 5/18/16 while reconciling the April bank statement. I reported it to the bank immediately and then proceeded to the bank to complete their form. The bank informed me that the funds will be returned to the account in 10 business days. The bank also will be closing down our current account number and opening up a new account number for us to use.
