Reference: Follow-Up to Previous Questions on Campaign Activity / Termination Report

Mr. Austin,

We are aware that two of our previously issued refunds were listed for the incorrect election period. To clarify, the refunds issued to Ladson Farms on 1/18/2021 and Progressive Farms Financial Administration LLC on 1/21/2021 were both refunds for contributions received for the 2020 Special General election. We regret that those were mistakenly reported as refunds for the Special Runoff Election.

We are also aware that contributions were reported from American Tree Care and Gallagher Farms as transfers through Team Loeffler. Those were inadvertently listed on our filing with the Commission when no transfer of activity occurred. Both contributions were refunded by Team Loeffler without being transferred to Georgians for Kelly Loeffler.

These responses should, in conjunction with refunds listed on our Termination Report, close all previous questions the Commission had for donors listed as above their giving limit to the campaign. Because of the overall volume of activity for our committee, numerous revenue streams and at times inconsistently provided donor information for online contributions of many donors generating duplicate records in our donor data base, refunds were required. Refunds issued by the campaign for all donors were done with our best possible effort, either upon completion of the campaign's Special Runoff Election or as new issues for which we were previously unaware to have existed that were brought to our attention by the Commission. All necessary refunds have been made.

For the just filed Termination Report our intention is to get approval for termination from the Commission before payout of the final activity from the committee is processed. The remaining funds will be paid out in compliance with applicable campaign finance law. Georgians for Kelly Loeffler intends to pay Senator Loeffler the balance of her loan to the committee up to the amount possible based on the balance of funds remaining for the campaign. She will then forgive any remaining balance, which will be submitted to the Commission when executed to complete the public record.

Please contact us if you need any additional information.

Sincerely,
Michael Goode, Treasurer
Georgians for Kelly Loeffler
