Borrower agrees not to sell the Collateral except in the ordinary course of Borrower's business and will not assign, transfer, pledge, grant a security interest in, or otherwise dispose of or encumber the Collateral without Bank's prior written consent.

2. COLLATERAL. The Collateral covered by this Agreement is all of Borrower's property described below where an "X" or check mark has been placed in the box applicable thereto, which Borrower now owns or shall hereafter acquire or create, immediately upon acquisition or creation, and includes, but is not limited to, any items listed on any schedule or list attached to this Agreement:

☐ **A. Accounts.** All accounts, documents, chattel paper, instruments, and general intangibles, including any rights to any tax refunds from any governmental authority (all of which are hereinafter individually and collectively referred to as "Accounts");

☐ **B. Inventory.** All inventory and goods including, but not limited to, raw materials, work in process, finished goods, tangible property, stock in trade, wares and merchandise used in, sold by, or stopped in transit by Borrower;

☐ **C. Equipment.** All equipment and fixtures, including all machinery, furniture, furnishings and vehicles, together with all accessions, parts, attachments, accessories, tools and dies, or appurtenances thereto, attached, kept, used, or intended for use in connection therewith, and all substitutions, improvements, replacements and additions thereto;

☐ **D. All Assets.** All of Borrower's personal property described in Paragraph 2.A. through 2.C. above, inclusively;

☒ **E. Specific.** The following specific property and all related rights: 1994 Plymouth Voyager VIN #2P4GH2536RR520201
The Collateral shall secure repayment of Borrower's Promissory Note dated January 12, 1994, and Borrower acknowledges and agrees that the loan signified by said Promissory Note shall serve as adequate consideration for the execution of this Agreement.
If none of the above boxes are checked, it is understood and agreed that Borrower grants Bank a security interest in all of Borrower's assets as if the box adjacent to Paragraph 2.D. had been checked.

For each and every type of Collateral described above, the proceeds of the Collateral and the proceeds of all insurance, eminent domain, condemnation awards, and all products of and accessions to the Collateral are also part of the Collateral. In addition, any and all bank deposits and bank accounts or other sums at any time credited or due from Bank to Borrower and any and all instruments, documents, policies, certificates of insurance, securities, goods, accounts, chattel paper, cash, property and the proceeds thereof which Borrower owns or in which Borrower has an interest and which are at any time in the possession or control of Bank or any third party acting on Bank's behalf, shall also be considered Collateral.

3. PERFECTION OF SECURITY INTEREST. Borrower agrees to promptly execute and deliver to Bank, concurrently with execution of this Agreement and at any time or times hereafter at the request of Bank, all financing statements, assignments, certificates of title, applications for motor vehicle or watercraft titles, affidavits, reports, notices, schedules of Accounts, designations of inventory, letters of authority and any and all other documents and agreements as Bank may request, in form satisfactory to Bank, to perfect and to at all times maintain perfected Bank's security interests in the Collateral. Borrower also agrees to make appropriate entries on its books and records disclosing Bank's security interests in the Collateral.

4. WARRANTIES. Borrower agrees and warrants to Bank, that: (a) Borrower has or forthwith will acquire full legal title to the Collateral and is the lawful owner of all of the Collateral with an unqualified right to subject the Collateral to the security interest here granted to Bank; (b) except as specifically stated in any attachment to this Agreement, Bank's security interest in the Collateral is a first priority security interest; there are no financing statements covering any of the Collateral in any public office, and Borrower will defend and indemnify the Bank against the claims and demands of all other persons claiming an interest in the Collateral; (c) all of the Collateral is located in the State of Michigan at the address specified above or as specified in Paragraph 10. of this Agreement or is in the possession of the Bank, and Borrower agrees not to remove the Collateral outside the State of Michigan without Bank's prior written consent, nor use or permit the Collateral to be used for any unlawful purpose; (d) Borrower shall not conduct Borrower's business under any other name than that given above, nor change or reorganize the business entity under which it does business, except upon the prior written approval of Bank and, if such approval is granted, Borrower agrees that all documents, instruments, and agreements requested by Bank shall be prepared, filed and recorded at Borrower's expense, before such change occurs; (e) Borrower agrees not to remove any records concerning the Collateral from the address specified above nor keep any of its records at any other address unless written notice thereof is given to Bank at least (10) days prior to the creation of any new address for the keeping of such records; (f) Borrower agrees to at all times maintain the Collateral in good condition and repair; (g) Borrower has full authority, complete power, and is duly authorized to enter into this Agreement with Bank, and the execution of this Agreement does not constitute a breach of any provision contained in any other agreement or instrument to which Borrower is or may become a party or by which Borrower is or may be bound or affected; (h) all financial statements and information delivered and to be delivered by Borrower to Bank are true and correct and have been prepared in accordance with generally accepted accounting principles and there has been no material adverse change in the financial condition of Borrower since the last submission of such financial information to Bank; (i) there are no actions or proceedings either threatened or pending against Borrower which might result in any material adverse change in Borrower's financial condition or which might materially affect any of Borrower's assets; (j) Borrower has filed all Federal, State and local governmental tax returns which Borrower is required by law to file and all such taxes required to be paid have been paid in full; (k) no part of the Collateral is classified or classifiable as hazardous waste under Federal or Michigan environmental laws and regulations, Borrower is in full compliance with all Federal and Michigan environmental laws and regulations, and Borrower hereby indemnifies Bank against any and all expenses and costs, including reasonable attorney fees, arising from or related to any breach of these warranties. All of Borrower's warranties in this Paragraph 4. shall be deemed to be continuing warranties until Borrower shall have no Obligations to Bank.

5. TAXES, INSURANCE. Borrower agrees to: (a) promptly pay all taxes, levies, assessments, judgments, and charges of any kind upon or relating to the Collateral, to Borrower's business, and to Borrower's ownership or use of any of its assets, income, or gross receipts; (b) at its own expense, keep all of the Collateral fully insured against loss or damage by fire, theft, explosion and other risks, in such amounts, with such companies, under such policies, and in such form as shall be satisfactory to Bank, a copy of which policies shall be delivered to Bank with evidence of premium payment and which policies shall be endorsed to provide Bank a standard loss payable clause with not less than 30 days notice of cancellation or of any change in coverage (CP 12181185) and the Bank shall have a security interest in the proceeds of all such insurance and may apply any such proceeds received by it toward payment of Borrower's Obligations, whether or not due, in such order of application as Bank may determine; (c) maintain at its own expense public liability and property damage insurance in such amounts, with such companies, under such policies, and in such form as shall be satisfactory to Bank, and shall furnish Bank with a copy of such policies and evidence of payment of premiums thereon. If Borrower at any time fails to obtain or maintain any of the policies required above or pay any premium relating thereto, or shall fail to pay any tax, assessment, levy or charge, or discharge any such lien, or encumbrance, then Bank, without waiving or releasing any obligation or default of Borrower hereunder, may at any time (without obligation to do so) make such payment, obtain such discharge, or obtain and maintain such policies of insurance, pay such premiums, and take such action with respect thereto as Bank deems advisable. All sums so disbursed by Bank, including reasonable attorney fees, court costs, expenses, and other charges relating thereto, shall be part of the Obligations secured hereby, shall be payable on demand, and shall bear interest until paid to Bank at Three (3%) percent over Bank's Prime Rate of interest.

6. COLLECTION OF ACCOUNTS. A. If Paragraph 2A. or 2D. above is checked, Bank hereby conditionally authorizes Borrower to collect Accounts from Borrower's Account debtors provided, however, this privilege may be terminated by Bank at any time upon written notice from Bank and, upon mailing such notice, Bank shall be entitled to and shall have all of Borrower's rights, title, and interest in and to all of Borrower's Accounts. After notice as aforesaid or upon Default (as subsequently defined), Bank may notify any Account debtor(s) of Bank's security interest in Borrower's Accounts and shall be entitled to collect same and Borrower will thereafter receive all Accounts payments as the agent of and as trustee for Bank, transmitting to Bank on the day of Borrower's receipt, all original checks, cash, drafts, acceptances, notes and other payments received on Accounts and, until delivery of same to Bank, Borrower shall not use or commingle any Accounts payments and shall at all times keep all such remittances separate and apart from Borrower's own funds, capable of identification as the property of Bank. After any Default, Borrower agrees to open all mail only in the presence of a representative of Bank, who may take therefrom any Account remittance(s). Bank and its representatives are hereby authorized to endorse in Borrower's name, payments on or other proceeds of any of the Collateral, and may sign Borrower's name upon all Accounts, invoices, assignments, financing statements, notices to debtors, bills of lading, storage receipts, or other instruments or documents in respect to the Accounts, the proceeds therefrom, or property related thereto. Borrower agrees to promptly give Bank copies of all Accounts statements and records, accompanied by such information and by such documents or copies thereof as Bank may request. Borrower shall maintain all records with respect to the Accounts and with respect to the general conduct and operation of Borrower's business, including balance sheets, operating statements and other financial information, in accordance with generally accepted accounting principles and as Bank may request.

B. If Paragraph 2B. or 2C. above are checked, until such time as the Bank shall notify Borrower of the revocation of such power and authority, Borrower: (i) may, in the ordinary course of its business only, at Borrower's expense, sell, lease, or furnish under contracts of service, any of the inventory normally held by Borrower for such purpose; (ii) may use and consume any raw materials, work in process or materials, the use and consumption of which is necessary in order to carry on Borrower's business; and (iii) shall, at its own expense, endeavor to collect, as and when due, all amounts due with respect to any of the Collateral, including the taking of such action with respect to such collection as the Bank may reasonably request or, in the absence of such request, as Borrower may deem advisable. A sale in the ordinary course of business does not include a transfer in partial or total satisfaction of any debt of Borrower.

7. INFORMATION. Borrower agrees to permit Bank or Bank's agents to have access to and to inspect the Collateral and from time to time inspect and verify Accounts, inventory, and Equipment and check, make copies of or extracts from the books, records and files of Borrower, and Borrower will make same available at any time for such purposes. Bank is hereby authorized to conduct from time to time such investigation of Borrower's continuing creditworthiness as Bank shall deem appropriate including, without limitation, Bank contact with Borrower's accountants or other third parties, and Bank is also authorized to respond to any credit inquiries received from trade creditors or other credit granting institutions. Borrower agrees to promptly supply Bank with such financial and other information concerning its financial and business affairs, assets and liabilities as Bank may from time to time request, and Borrower agrees that Bank or its agents may from time to time verify Borrower's continuing compliance with any of Borrower's warranties made in Paragraph 4. above, at Borrower's cost and expense.

8. DEFAULT. The occurrence of any of the following events shall constitute a Default (as such term is used herein): (a) the non-payment, when due, of any amount payable on any of the Obligations or any extension or renewal thereof; (b) failure to perform any agreement of Borrower contained herein or in any related agreement; (c) any statement, representation, or warranty of Borrower made herein, in any other agreement with Bank, or in any other writing at any time furnished by the Borrower to the Bank, is untrue in any respect as of the date made; (d) any Obligor (which term, as used herein, shall mean the Borrower and each other party primarily or secondarily liable on any of the Obligations) becomes insolvent or unable to pay their debts as they mature, makes an assignment for the benefit of creditors, conveys, substantially all of their assets, any proceedings are instituted by or against any Obligor alleging that such Obligor is insolvent or unable to pay debts as they mature or a petition of any kind is filed under the Federal Bankruptcy Code by or against such Obligor; (e) entry of any judgment against any Obligor or any order of attachment, execution, garnishment, forfeiture, sequestration, or other writ or order is levied on the Collateral; (f) the death of any Obligor who is a natural person or of any partner of any Obligor which is a partnership; (g) the dissolution, merger, consolidation or transfer of a substantial part of the property of any Obligor, the Borrower fails to pay the full amount of any tax, fee or assessment due and owing to any Federal, State or local government authority; or (h) any criminal proceeding is initiated against any Obligor.

B. Whenever a Default shall exist, the Obligations may, at the option of the Bank and without demand or notice of any kind, be declared, and thereupon shall immediately become, due and payable, and the Bank may exercise from time to time all rights and remedies, including the right to immediate possession of the Collateral, available to it under applicable law. Bank shall have the right to hold any property then in or upon the Collateral at time of repossession not covered by this Agreement until return is demanded in writing by the Borrower. Borrower agrees, upon Default, to assemble all the Collateral at a convenient place acceptable to the Bank and to pay all costs of collection of the Obligations, and enforcement of Bank's rights, including reasonable attorney fees and legal expenses, (including bankruptcy proceedings), and all expenses in locating the Collateral and all expenses for any repairs to any realty or other property to which any of the Collateral may be affixed. Any notification of intended disposition of any of the Collateral required by law shall be deemed reasonably and properly given if sent at least (7) seven calendar days before such disposition, postage prepaid, addressed to Borrower either at the address shown on the reverse side of this Agreement or at any other address of Borrower appearing on the records of the Bank.

9. GENERAL. Except as otherwise defined in this Agreement, all terms in this Agreement shall have the meanings provided by the Michigan Uniform Commercial Code as amended from time to time. Any Bank delay in exercising any power, privilege or right hereunder, or under any other instrument or agreement executed by Borrower in connection herewith shall not operate as a waiver thereof, and no single or partial exercise shall preclude other or further exercise thereof, or the exercise of any other power, privilege, or right. The waiver by Bank of any Default by Borrower shall not constitute a waiver of any subsequent Default, but shall be restricted only to the Default waived. All rights, remedies and powers of Bank hereunder are irrevocable and cumulative and not alternative or exclusive, and shall be in addition to all rights, remedies, and powers given in any other instrument or agreement or by the Michigan Uniform Commercial Code. This Agreement cannot be modified except by a writing signed by Borrower and by the Bank.

This Agreement has been delivered in Michigan, and shall be construed in accordance with the laws of the State of Michigan. Whenever possible, each provision of this Agreement shall be interpreted to be effective and valid under applicable law, but if any provision of this Agreement is prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity without invalidating the remainder of such provision or the remaining provisions of this Agreement. The rights and privileges of the Bank hereunder shall inure to the benefit of its successors and assigns, and this Agreement shall be binding on all heirs, executors, administrators, and successors of Borrower. If more than one Borrower has signed this Agreement their obligations shall be joint and several.

10. SPECIAL PROVISIONS/ADDITIONAL AGREEMENTS. (If Collateral includes Fixtures, describe the real estate here and in Form UCC-1A)

Note No. _____
Date January 12, 19 94

FOR VALUE RECEIVED the undersigned, jointly and severally, (the "Borrower") promise to pay to the order of MICHIGAN NATIONAL BANK at its office located at 27335 W. Eleven Mile
Southfield Michigan (the "Bank") in lawful money of the United States of America, the principal sum of Sixteen Thousand Six Hundred Ninety Nine and 30/100 Dollars (\$16,699.30) together with interest thereon computed with a year of 360 days at a rate of interest (the "Effective Interest Rate") of One-Half (.50%) percent per annum in excess of that rate of interest established by MICHIGAN NATIONAL BANK (the "Designee Bank") as its prime rate (the "Index") as such Index shall change from time to time, upwards or downwards, and each such Index change shall cause an identical change in the Effective Interest Rate, to occur effective immediately.

Borrower understands and agrees that the Effective Interest Rate payable to Bank under this Note shall be determined by reference to the Index and not by reference to the actual rate of interest charged by the Designee Bank to any particular borrower(s). If at any time the Designee Bank shall abandon the use and quotation of that rate of interest used as the Index for this Note, the Index shall be Bank's own Prime Rate of Interest. If Bank shall determine that the Effective Interest Rate is usurious or is otherwise limited by law, the unpaid principal balance of this Note and all interest thereon at the highest rate of interest then permitted to be charged by Bank shall, at the option of the Bank, become immediately due and payable.

The indebtedness signified by this promissory note ("Note") shall be paid to Bank in 48 installments of principal and interest, beginning on February 15, 19 94, and continuing on the 15th day of each month thereafter until the Due Date, upon which date the entire unpaid principal balance of this Note, with all accrued and unpaid interest, shall be due and payable in full. The amount of the initial installment payments of principal and interest due Bank under this Note shall be \$ 396.24 each, until the end of that 12 month period commencing with the date of this Note, and at the end of said period and at the end of each succeeding period of the same duration prior to the Due Date, the amount of the installment payment of principal and interest due Bank from Borrower under this Note shall be re-computed by Bank, and the installment payment amount adjusted, upward or downward, by Bank's computation at the beginning of each of said time periods, of that principal and interest installment payment which shall, using the Effective Interest Rate then in effect, fully amortize and repay to Bank the then unpaid principal balance of this Note, with interest thereon as aforesaid, by the Due Date. Bank agrees to notify Borrower of the adjusted installment payment amount after each such adjustment and redetermination of the payment due Bank, if at any time during the term of this Note the regularly scheduled payment is insufficient to pay the interest then due and owing, this Note shall become immediately due and payable. This Note may be prepaid, in full or in part, at any time, without the payment of any prepayment fee or penalty, but no partial prepayment shall affect the obligation of Borrower to continue the regular installment payments stated.

Upon the occurrence of any of the following events of default: (a) any failure by Borrower to pay any installment of principal or interest when due; (b) any breach by Borrower of any warranty, representation, covenant, term, or condition stated in any loan agreement, security agreement, mortgage, or other agreement executed in connection with this Note; (c) the death, dissolution, or termination of Borrower's existence; (d) Borrower's failure generally to pay debts as they mature, or if a receiver or custodian is appointed or takes possession of the property of Borrower; (e) any voluntary or involuntary bankruptcy or insolvency proceedings are commenced by or against Borrower; (f) any indebtedness of Borrower becomes due and payable by acceleration of the maturity thereof; (g) any writ of attachment, garnishment, execution, tax lien, or similar writ is issued against any property of Borrower; or (h) Borrower's business shall be sold to or merged with any other business, individual, or entity, then this Note and all other obligations and indebtedness of Borrower to Bank, whether direct or indirect, absolute or contingent, present or future, and howsoever evidenced, shall become immediately due and payable, unless otherwise elected by Bank. No failure by Bank to exercise any right or remedy, nor any partial exercise thereof shall preclude Bank's right to demand strict adherence to the terms and conditions of this Note, nor preclude any additional or further exercise of any right or remedy, nor constitute a waiver thereof.

Upon the occurrence of any of the above events of default, the unpaid principal balance of the Note shall bear interest at a rate which is two (2.0 %) percent greater than the Effective Interest Rate otherwise applicable. Bank shall also be entitled to charge and collect a late charge of five (5%) percent of the amount of any installment payment which is overdue by more than ten (10) days, to reimburse Bank for its additional costs incurred in the collection and processing of such delinquent payment.

In addition to the security interests described in any security agreement executed in conjunction with this Note, Borrower grants Bank a security interest in all of Borrower's deposits, instruments, negotiable documents, and chattel paper which at any time are in the possession or control of Bank and authorizes Bank, upon the occurrence of any event of default, to setoff any obligations of Bank to Borrower against the obligations of Borrower to Bank under this Note. Borrower agrees to pay all of the Bank's costs incurred in the collection of this Note, including reasonable attorney fees.

All payments on this Note shall, at the option of the Bank, first be applied against accrued and unpaid interest and the balance against principal. Acceptance by Bank of any payment in an amount less than the amount then due shall be deemed an acceptance on account only, and Borrower's failure to pay the entire amount then due shall be an event of default. Borrower expressly assumes all risks of loss or delay in the delivery of any payments made by mail, and no course of conduct or dealing shall affect Borrower's assumption of those risks.

Borrower and all guarantors of this Note do hereby jointly and severally waive presentment for payment, demand, notice of non-payment, notice of protest, and protest of this Note, and Bank diligence in collection or bringing suit, and consent to any and all extensions of time, renewals, waivers, or modifications as may be granted by Bank with respect to payment or any other provisions of this Note, and to the release of any collateral or any part thereof, with or without substitution. The liability of the Borrower to Bank under this Note shall be absolute and unconditional, without regard to the liability of any other party. This Note shall be deemed to have been executed in Michigan and all rights and obligations hereunder shall be governed by the laws of the State of Michigan.

BORROWER

ABRAHAM FOR SENATE

E. Spencer Abraham

#38-3116234

Tax I.D. or Social Security No.

January 12, 1994

IN CONSIDERATION of and in order to induce MICHIGAN NATIONAL BANK, a national banking association, with offices located at 27335 West Eleven Mile, Southfield, MI 48037 (the "Bank"), to loan money, extend credit to, or to purchase, accept or discount notes, instruments or other evidences of indebtedness

of or from, and generally to engage in financial accommodations and to do business with ABRAHAM FOR SENATE, a Non-Profit Committee (the "Borrower"), the undersigned, jointly and severally (hereinafter individually and collectively referred to as the "Guarantor"), hereby covenant and agree with the Bank as follows:

1. Guarantor unconditionally guarantees to Bank the full and prompt payment when due of all indebtedness (as hereinafter defined) of Borrower due and to become due to the Bank. The Bank may have immediate recourse against Guarantor for the full and immediate payment of the indebtedness, or any part thereof, which has not been paid in full at maturity (whether at fixed maturity or maturity accelerated by reason of Borrower's default under the terms of any instrument governing the indebtedness or any agreement securing the indebtedness).

2. The term "indebtedness" shall mean any and all indebtedness, liabilities and obligations of every kind, nature and description which are at any time owed to Bank by Borrower, whether direct or indirect, absolute or contingent, whether now due and owing or which may hereafter from time to time become due and owing, and whether heretofore or hereafter created or arising, including all indebtedness evidenced by any promissory note(s) now or hereafter executed and delivered by Borrower to the Bank and any and all renewals, extensions or modifications thereof and including, without limitation, reasonable attorney fees and allocated costs of in-house counsel and all other costs, and expenses incurred by Bank in connection with the enforcement of this Guaranty and the collection of any and all indebtedness of Borrower to the Bank.

3. This is a guarantee of payment and not of collection, and Guarantor agrees that the Bank shall not be obligated prior to seeking recourse against or receiving payment from Guarantor, to do any of the following (although the Bank may do so, in whole or in part, at its sole option) the performance of which are hereby unconditionally waived by Guarantor:

- (a) Take any steps to collect the indebtedness from Borrower or file any claim of any kind against Borrower; or
- (b) Take any steps to enforce, accept, perfect the Bank's interests in, foreclose upon, or realize on any collateral security for the payment of the indebtedness or any other guaranty of the indebtedness; or
- (c) In any other respect exercise any diligence whatever in collecting or attempting to collect the indebtedness by any means.

4. Guarantor's liability for payment of the indebtedness shall be absolute and unconditional, and nothing except final and full payment to the Bank of all of the indebtedness shall operate to discharge Guarantor's liability under this Guaranty. Accordingly, Guarantor unconditionally and irrevocably waives each and every defense which under principles of guaranty or suretyship law would otherwise operate to impair or diminish the liability of Guarantor for the indebtedness. Without limiting the generality of the foregoing waiver, Guarantor agrees that none of the following acts, omissions, or occurrences shall diminish or impair the liability of Guarantor in any respect (all of which acts, omissions or occurrences may be done without notice to Guarantor):

- (a) Any extension, modification, indulgence, compromise, settlement, or variation of any of the terms of the indebtedness;
- (b) The discharge or release of any obligations of the Borrower or of any other person now or hereafter liable on the indebtedness by reason of bankruptcy or insolvency laws or otherwise;
- (c) The acceptance or release by the Bank of any collateral security or any other Guaranty, or any settlement, compromise or extension with respect to any collateral security or other Guaranty;
- (d) The application or allocation by the Bank of payments, collections, or credits on the indebtedness or any other obligations of Borrower to the Bank;
- (e) The creation of any new indebtedness by Borrower;
- (f) The making of demand, or absence of demand, for payment of the indebtedness, or giving, or failing to give, any notice of dishonor or protest, or any other notice.

5. Guarantor further unconditionally and irrevocably waives:

- (a) All rights Guarantor may have, at law or in equity, to seek or claim subrogation, contribution, indemnification, or any other form of reimbursement from Borrower by virtue of any payment(s) made to Bank under this Guaranty or otherwise until the indebtedness shall have been fully and finally paid;
- (b) Any acceptance of this Guaranty;
- (c) Any set-offs or counterclaims against the Bank which would impair or affect the Bank's rights against Guarantor;
- (d) Any notice of the disposition of any collateral security and any right to object to the commercial reasonableness of the disposition of any such collateral security;
- (e) Any defenses related to the validity or enforceability of any documentation executed by Borrower or by Guarantor in connection with the indebtedness.

6. Guarantor acknowledges and agrees with Bank that if Bank shall at any time be required to return or restore to Borrower or to any trustee in bankruptcy, any payment(s) made upon the indebtedness, this guaranty shall continue in full force and effect or shall be fully reinstated, as the case may be, and Guarantor's obligation to Bank under this guaranty shall be increased by the amount of any such payment(s) upon the indebtedness as Bank shall be obliged to return or restore, plus interest thereon at the default rate provided in the evidence of indebtedness applicable to any such payment(s) from the date(s) the payment(s) upon the indebtedness was originally made. Guarantor agrees to indemnify and hold Bank harmless from and against any and all costs, fees and expenses including, without limitation, reasonable attorney fees and allocated costs of in-house counsel, in connection with Bank's defending any preference or fraudulent conveyance claim or action brought against Bank in any bankruptcy proceeding concerning Borrower.

7. This Guaranty shall inure to the benefit of the Bank and its successors and assigns, including every holder of any of the indebtedness here guaranteed. In the event any person other than the Bank shall become a holder of any of the indebtedness, each reference to the Bank herein shall be construed to refer to each such holder.

8. This Guaranty shall be binding upon Guarantor and Guarantor's heirs, successors, and estate representatives, and shall continue in effect until Guarantor delivers to the Bank at the above address, thirty (30) days advance written notice of termination, provided, however, that this Guaranty shall continue in full force and effect thereafter with respect to all indebtedness in existence on the effective date of such termination (including all extensions and renewals thereof and all subsequently accruing interest and other charges thereon) until all such indebtedness shall be fully and finally paid to Bank.

9. Guarantor represents and warrants to the Bank that all financial statements concerning Guarantor's financial condition are true and correct in all material respects as of the date of such statements and, if such statements are not current, that there has been no material adverse change in the financial condition of Guarantor from the date of such statement to the date of delivery of this Guaranty to the Bank. Guarantor acknowledges that in accepting this Guaranty, the Bank has relied upon such financial statements and Guarantor agrees to provide the Bank with a statement of Guarantor's current financial condition, in form satisfactory to Bank, at least annually and within thirty (30) days after Bank's request. Guarantor further agrees that until Borrower's indebtedness to Bank is paid in full, Guarantor will not, without Bank's prior written consent, make any voluntary transfer of any of Guarantor's assets into a trust or otherwise, which would have the effect of materially diminishing Guarantor's present net worth and, without Bank's prior written consent, will not guaranty the debts or obligations of any other person or entity.

10. Guarantor hereby releases and discharges Bank of and from any and all claims, harm, injury, and damage of any and every kind, known or unknown, legal or equitable, which Guarantor has against the Bank from the date of Borrower's first contact with Bank to the date of this Agreement. Guarantor expressly confirms to Bank that Guarantor has reviewed the effect of this release with competent legal counsel, or has been afforded the opportunity to do so, prior to execution of this Guaranty and acknowledges and agrees that Bank is relying upon this release of claims.

11. Guarantor also knowingly, voluntarily, and intelligently waives Guarantor's constitutional right to a trial by jury with respect to any claim, dispute, conflict, or contention, if any, as may arise under this Guaranty, and agrees that any litigation between the parties concerning this Guaranty and any collateral security described in Paragraph 15 hereof, shall be heard by a court of competent jurisdiction sitting without a jury. Guarantor hereby confirms to Bank that Guarantor has reviewed the effect of this waiver of jury trial with competent legal counsel, or has been afforded the opportunity to do so, prior to signing this Guaranty and acknowledges and agrees that Bank is relying upon this waiver.

12. This Guaranty and all rights and obligations hereunder, including matters of construction, validity, and performance, shall be governed by the laws of the State of Michigan, and Guarantor consents to both jurisdiction and venue in the Michigan courts.

13. The term "Guarantor" shall mean all and each one of the persons executing this Guaranty agreement and their obligations to the Bank shall be joint and several.

14. Notwithstanding anything to the contrary contained herein, the liability of each Guarantor named below shall not exceed
Unlimited DOLLARS (\$ Unlimited).

15. The performance of Guarantor's obligations under this Guaranty is secured by: _____ dated _____, 19 ____.

16. This Guaranty agreement and the terms and provisions of any agreement(s) described in Paragraph 15 above constitute Guarantor's entire agreement with Bank, and there are no other agreements, either written or oral, which modify or supplement Guarantor's said agreement(s) with Bank. Guarantor acknowledges and agrees with Bank that this Guaranty cannot be modified or amended in any respect except by an additional writing signed by both Guarantor and Bank.

17. THIS GUARANTY IS FREELY AND VOLUNTARILY GIVEN TO THE BANK BY GUARANTOR, WITHOUT DURESS OR COERCION, AND AFTER GUARANTOR HAS EITHER CONSULTED WITH COMPETENT LEGAL COUNSEL OR HAS BEEN GIVEN AN OPPORTUNITY TO DO SO, AND GUARANTOR HAS FULLY AND CAREFULLY READ, AND UNDERSTANDS, ALL OF THE TERMS AND PROVISIONS OF THIS GUARANTY.

Part II For Payees Exempt From Backup Withholding (See Exempt Payees and Payments on page 2)

Requester's name and address (optional)

Certification.—Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding.

Certification instructions.—You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because of underreporting interest or dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, the acquisition or abandonment of secured property, contributions to an individual retirement arrangement (IRA), and generally payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (Also see Signing the Certification on page 2.)

Section references are to the Internal Revenue Code.

Purpose of Form.—A person who is required to file an information return with the IRS must obtain your correct TIN to report income paid to you, real estate transactions, mortgage interest you paid, the acquisition or abandonment of secured property, or contributions you made to an IRA. Use Form W-9 to furnish your correct TIN to the requester (the person asking you to furnish your TIN) and, when applicable, (1) to certify that the TIN you are furnishing is correct (or that you are waiting for a number to be issued), (2) to certify that you are not subject to backup withholding, and (3) to claim exemption from backup withholding if you are an exempt payee. Furnishing your correct TIN and making the appropriate certifications will prevent certain payments from being subject to backup withholding.

Note: If a requester gives you a form other than a W-9 to request your TIN, you must use the requester's form.

How To Obtain a TIN.—If you do not have a TIN, apply for one immediately. To apply, get Form SS-5, Application for a Social Security Card (for individuals), from your local office of the Social Security Administration, or Form SS-4, Application for Employer Identification Number (for businesses and all other entities), from your local IRS office.

To complete Form W-9 if you do not have a TIN, write "Applied for" in the space for the TIN in Part I, sign and date the form, and give it to the requester. Generally, you will then have

60 days to obtain a TIN and furnish it to the requester. If the requester does not receive your TIN within 60 days, backup withholding, if applicable, will begin and continue until you furnish your TIN to the requester. For reportable interest or dividend payments, the payer must exercise one of the following options concerning backup withholding during this 60-day period. Under option (1), a payer must backup withhold on any withdrawals you make from your account after 7 business days after the requester receives this form back from you. Under option (2), the payer must backup withhold on any reportable interest or dividend payments made to your account, regardless of whether you make any withdrawals. The backup withholding under option (2) must begin no later than 7 business days after the requester receives this form back. Under option (2), the payer is required to refund the amounts withheld if your certified TIN is received within the 60-day period and you were not subject to backup withholding during that period.

Note: Writing "Applied for" on the form means that you have already applied for a TIN OR that you intend to apply for one in the near future.

As soon as you receive your TIN, complete another Form W-9, include your TIN, sign and date the form, and give it to the requester.

What Is Backup Withholding?—Persons making certain payments to you after 1983 are required to withhold and pay to the IRS 31% of such payments under certain conditions. This is called "backup withholding." Payments that could be subject to backup withholding include interest,

dividends, broker and barter exchange transactions, rents, royalties, nonemployee compensation, and certain payments from fishing boat operators, but do not include real estate transactions.

If you give the requester your correct TIN, make the appropriate certifications, and report all your taxable interest and dividends on your tax return, your payments will not be subject to backup withholding. Payments you receive will be subject to backup withholding if:

- You do not furnish your TIN to the requester, or
- The IRS notifies the requester that you furnished an incorrect TIN, or
- You are notified by the IRS that you are subject to backup withholding because you failed to report all your interest and dividends on your tax return (for reportable interest and dividends only), or
- You do not certify to the requester that you are not subject to backup withholding under 3 above (for reportable interest and dividend accounts opened after 1983 only), or
- You do not certify your TIN. This applies only to reportable interest, dividend, broker, or barter exchange accounts opened after 1983, or broker accounts considered inactive in 1983.

Except as explained in 5 above, other reportable payments are subject to backup withholding only if 1 or 2 above applies. Certain payees and payments are exempt from backup withholding and information reporting. See Payees and Payments Exempt From
