**LOAN AGREEMENT:** That certain Loan Agreement of even date between the Lender and the Borrower relating to the indebtedness evidenced hereby

All capitalized words or phrases which are not otherwise specifically defined hereinabove or elsewhere in this Note shall have the meaning assigned in the other Loan Documents.

1. Promise to Pay. FOR VALUE RECEIVED, the Borrower promises to pay to the order of the Lender, at the Lender's Address (or to such other person(s) or at such other place(s) as the Lender may from time to time designate in writing), the Loan Amount, or so much thereof as may have been advanced, with interest thereon, or on the amount thereof from time to time outstanding, until full payment at the Interest Rate (or the Default Rate, when applicable) computed on the outstanding Loan Amount on the basis of a 360-day year for actual days elapsed and payable in arrears. The Borrower promises to make payments as set forth in the Payment Schedule until the Maturity Date, and on the Maturity Date to pay the outstanding Loan Amount in full, together with all accrued interest and any other amount(s) due under this Promissory Note. All payments received will be applied (a) first, to any of the following then due and payable in such order and manner as the Lender in its sole discretion shall determine: charges, costs, expenses, late fees, interest, or principal, and (b) second, to the outstanding Loan Amount.

2. Prime Rate. The term "Prime Rate" shall mean the rate of interest designated from time to time by the Lender at its principal office as its prime or commercial base lending rate. The Prime Rate is a reference rate and does not necessarily represent the lowest or best rate charged to any customer. Each change in the Prime Rate shall simultaneously adjust the Interest Rate. Provided, however, that in the event any holder of this Promissory Note is not a state or federally regulated banking institution which regularly establishes a prime rate, the Prime Rate shall mean the rate published as such in The Wall Street Journal (or any comparable publication selected by the Lender in its reasonable discretion if The Wall Street Journal ceases to publish such index).

3. Right of Prepayment.

(No Prepayment Penalty): This Promissory Note may be prepaid in full or in part at any time without prepayment fee or premium, but partial prepayments shall not defer the Borrower's obligation to make each payment set forth in the Payment Schedule while any Loan Amount is outstanding.

96030401

96030401

4. Late Payment Charge. If any monthly payment of interest or principal is not paid within ten (10) days after its due date, the Borrower shall pay the Lender on demand a processing fee of five percent (5%) of the amount overdue. Processing fees are not interest and shall not be subject to refund or rebate or credited against any other amount due.

5. Failure to Pay and Perform Obligations. At the Lender's election, this Promissory Note shall become immediately due and payable without notice or demand (and notwithstanding any prior waiver of any breach, default, or other indulgence) upon the failure of the Borrower to make any payment required hereunder as and when due or upon the occurrence of any other Event of Default as defined in the Loan Agreement. After the Maturity Date and upon and during the existence of any other Event of Default (regardless of whether this Promissory Note has been accelerated and irrespective of the exercise or nonexercise of any other of the Lender's rights), interest on all outstanding principal shall accrue at an annual rate equal to the Default Rate.

6. Lender's Costs and Expenses. The Borrower agrees to pay all costs and expenses incurred by the Lender in connection with this indebtedness, including without limitation, all reasonable attorneys' fees and costs for the implementation of this loan, the collection of the indebtedness evidenced hereby, and the enforcement of the Lender's rights hereunder, whether or not suit is instituted.

7. Responsibility of Persons. The Borrower and every other party liable to pay the indebtedness evidenced by this Promissory Note, whether as maker, endorser, guarantor, surety, or otherwise: (a) agrees to be jointly and severally bound by all of the terms and conditions of this Promissory Note and every other Loan Document; (b) waives presentment, demand, notice, notice of acceleration, notice of intent to accelerate, protest, suretyship defenses, and all other defenses in the nature thereof; (c) waives any defenses based upon, and specifically assents to, any and all extensions and postponements of the time for payment, changes in terms and conditions, and all other indulgences and forbearances which may be granted by the Lender to any party now or hereafter liable under this Promissory Note or any guarantor hereof; (d) agrees to any substitution, exchange, release, surrender, or other delivery of any collateral now or hereafter securing this Promissory Note, and to the addition or release of any other person primarily or secondarily liable under this Promissory Note, any guaranty, or any other Loan Document now or hereafter given in connection with this loan; (e) agrees that if any security or collateral given to secure this Promissory Note or the indebtedness evidenced hereby to secure any of the obligations set forth or referred to in any other Loan Document shall be found to be unenforceable in full or to any extent, or if the Lender or any other party shall fail to duly perfect or protect such collateral, the same shall not release or relieve any party liable hereon or thereon nor vitiate any other security or collateral given for any obligations evidenced hereby or thereby; and (f) consents to all of the terms and conditions contained in this Promissory Note, the Loan Agreement, and each and every other Loan Document.

8. Maximum Interest Rate. Notwithstanding anything contained in this Promissory Note or any other Loan Document, the maximum amount of interest and other charges in the nature of interest due or payable on this loan shall not exceed the maximum amount permitted by law as determined by the final judgment, with appeals exhausted, of a court of competent jurisdiction. To the extent that any interest or other amounts received by the Lender exceeds the maximum amount permitted by law, then such excess amount shall be credited to unpaid principal, provided, however, that any excess amount remaining after full payment of principal shall immediately be returned to the Borrower.

9. Collateral Security. This Promissory Note is secured by the Pledged Property, among other things, such collateral security being more particularly described in the Security Documents.

10. Successors and Assigns. This Promissory Note shall inure to the benefit of and be binding upon the Borrower and Lender and their respective personal representatives, successors, and assigns. The terms "Borrower" and "Lender" as used herein shall include all subsequent holders of their respective rights, title, and interests under this Promissory Note.

THIS PROMISSORY NOTE IS DELIVERED IN ACCORDANCE WITH THE LOAN AGREEMENT.
